Two Hurt in Crash Today; 15 Accidents

Total of 14 Injuries Reported in Quad-City Area This Week

Two persons were injured and one was hospitalized at 2:30 a.m. today when their car struck a utility pole, marking the 15th accident in the Quad-City area since Monday. Fourteen persons were injured in the mishaps.

Two persons were injured when Clyde E. Stephens Jr., 23, of 2906a Cleveland Blvd., lost control of his auto on the 15th and State street curve and struck a utility pole at 2:30 a.m. today.

He and Linda Stephens, 27, same address, were taken to St. Elizabeth Hospital where she was admitted with facial cuts. Stephens declined treatment and was released.

Alex Bernstein, 56, University City, Mo., appeared in court at 2:15 a.m. Wednesday as he veered across Madison avenue at 16th street and struck the front of the parked tractor trailer truck of Emmett Ramsey, Caseyville.

Bernstein, who is with the shoe department at Carp's, was taken by ambulance to St. Elizabeth Hospital with a possible fracture to his left leg and lacerations to his chin and left eye. He was transferred to Jewish Hospital, St. Louis.

Three persons were injured in a collision of two cars at Edwardsville road and McCambridge avenue in Madison at 7:30 p.m. Tuesday, according to a report by Madison police. Officers said all three accident victims were taken by ambulance to St. Elizabeth Hospital and were hospitalized after emergency treatment.

The accident occurred when cars driven by Charles Wickham, 31, of 2904 Edgewood, and James Sorell, 31, of Cahokia, collided at the intersection as Wickham was headed east on Edwardsville road and Sorell was driving north on McCambridge avenue. Both drivers and Mrs. Shirley Wickham, 30, a passenger in her husband's car, were injured. Wickham suffered knee, leg and chest injuries and his wife was treated for lacerations. Both were admitted to St. Elizabeth Hospital.

Purcell was treated for injuries to the left knee and was transferred to the Centerville township hospital.

Three persons injured when auto driven by James K. Hansen, 18, of 2133 Willow avenue, and Ruth Brownning, 46, of 2336 Paul avenue, collided Monday at Lindell Blvd. and Johnson road.

Nameoki Township Plans Expansion of Town Hall

Plans to enlarge the present Nameoki township hall to provide adequate office space for town officers and a public meeting room will be initiated immediately, town board members decided in regular meeting Tuesday night.

Harry Briggs, Nameoki township supervisor, told the board that preliminary plans of at least two alternative proposals will be prepared within the next few weeks so that approximate cost figures can be developed before proceeding on any definite remodeling proposal.

One of two plans resulting from board discussion of the project calls for construction of a second floor on the present town hall at 4250 Highway 162, with offices located in the front, facing the highway, and a public meeting hall extending toward the rear.

May Remodel Garage

The other would involve construction of a second story on the large township highway garage that adjoins the town hall building. This plan would provide considerably more space than a second floor on the town hall building, it was pointed out.

Such a plan, however, would depend upon the feasibility of the idea since there is some question that the garage foundation was constructed originally to accommodate an additional story.

Cost estimates will be obtained on both proposals before detailed plans and specifications are ordered for one of the two suggestions, Briggs said. Cost figures on the proposals will have considerable influence on which plan is chosen, it was noted. Possibility of expanding the town hall building at ground level also was discussed.

The board discussed a plan for conveying the south half of Harris street, located in the township, to the city of Madison which wants to improve the roadway for use in the Madison Industrial Park. Briggs pointed out that if the street is conveyed to the city, it then can use motor fuel tax funds for improvements.

A resolution making the change is expected to be passed in the next town board meeting Dec. 19.

Church Burglar Gets 3-5 Years At Menard Prison

George J. Bentz, 42, of the 2000 block of Cleveland Blvd., pleaded guilty to the burglary of a church and was sentenced to a term of three to five years in Menard state prison Tuesday by Associate Circuit Judge Austin Lewis at Edwardsville.

He was arrested on charges of burglary, aggravated assault and possession of burglary tools after he was surprised in the office of St. Peter United Church of Christ, 1010 S. Main St., by Rev. Robert Baumann, pastor, on the evening of Sept. 25.

The intruder fled from the building after attempting to strike the minister with a pry-bar several times. He was chased by a visitor at the Baumann home and was caught by police in the 2000 block of Adams street.

Bentz had served two prison terms for burglary at San Diego, Calif., in 1958 and 1960 and was on parole from Santa Ana, Calif., at the time of his arrest here.

He initially pleaded innocent at the trial but was linked to the crime in testimony by Rev. Baumann, William N. Jenkins of Granite City and Police Officers Glenn Wright and Kelly Hodges.

Evidence assembled by police included a leather bag containing tools, carried by Bentz. Among the tools displayed was an 18-inch prybar used in the attack on the minister.

When confronted by the testimony and evidence the defendant sought and received permission to change his plea to guilty. This halted the jury trial, which began Tuesday morning, and the sentencing followed.

Vacant House Burns

Fire caused \$500 damage to a vacant house at 2636 Circle drive at 9:30 p.m. Wednesday, the fire department reported. The cause was not listed but firemen said it may have been caused by youngsters using the building or burning weeds. Firemen were on the scene for an hour and 10 minutes. The owner was not identified.

Levee Board Wants U.S. Funds

Facility Improvements Of \$2 Millions Needed To Prevent Flooding

An intensive effort to secure federal financial aid in a district-wide program to improve facilities of the East Side Levee and Sanitary District has been initiated by the board of trustees, but thus far has met with no definite assurances of help, Lawrence Tolar, board president, announced yesterday.

The search for funds, either federal grants or loans that could be repaid on a long-term basis, grows out of a series of recent developments that include:

1. A mandate from the U.S. Army Corps of Engineers that the levee district update its planning facilities particularly the routing of electrical systems in its pumping stations. The district has nine pumping stations, including one at Venice and one at Madison.

2. Extensive siltling of the district's network of drainage canals in both St. Clair and Madison counties and a desperate need to dredge the channels as the first step to avoid interior flooding in event of heavy rains.

3. An Army Engineers' directive that the levee district assume responsibility for the reinforcement of water intake tunnels beneath the main riverfront levees.

The Corps of Engineers maintains that in their present condition, the levees are in jeopardy.

4. A report by the Corps of Engineers that the levee district's financial resources are inadequate to meet the needs of the district.

County To Vote On Trash Disposal

Study is to Determine Method before Election Is Sought next Year

Maintaining that it is imperative that Madison county get into the waste disposal business as soon as possible, the Sanitary committee of the county board of supervisors will seek a referendum in next year's general election to finance a county disposal program, it was announced yesterday.

Carl Buehler, Granite City assistant supervisor and chairman of the committee, said the decision was reached in a meeting of the committee with representatives of the Southwest Illinois Metropolitan Area Planning Commission in which the urgency of meeting the growing need of trash and garbage disposal facilities was emphasized.

Pending a survey, Buehler said, it is not yet known the type of program that will be presented in a referendum proposal. But, he added, "the time has arrived when we have to act—and act fast."

Buehler said an engineering survey is expected to determine which of three disposal systems the landfill operation, composting or incineration would best serve Madison county's needs.

Only Six Landfills

The number of landfills now operating in Madison county has dropped from 24 to six as a result of an order from the county's landfill ordinance, Buehler pointed out, adding that the number of landfills will run out of operating area by this time next year. Just what will be done then to dispose of the many thousands of tons of waste and garbage is the problem that confronts us now.

Buehler said the Sanitary committee met with Alton May, president of SIMAPC; Harry Briggs, a SIMAPC director and former Madison County Commissioner's executive director, because of the need of an immediate engineering survey necessary to the determination of a waste disposal system to be adopted and the preparation of the referendum proposal.

Although the referendum would not be held until next year's Nov. 6 general election, all details of the proposal would have to be worked out and filed with the county clerk six months prior to the election to comply with state laws.

Much Preliminary Work

"In addition," Buehler explained, "We have a complete survey, decide on the disposal method that appears best, determine how much it is going to cost, start work out a financing program. Then all of this will have to clear the county board."

"Even though the referendum is almost a year away, we would have to have everything cleared away in every detail at least by April. This will take some speedy action."

For that reason, Buehler said, the committee plans to meet early next week with Edward Wisely, representative of the Horner & Shifrin engineering firm of St. Louis, to discuss arrangement for an immediate survey of Madison county disposal needs. He said the committee already has discussed the project with the county board's finance committee which has agreed to work out some method of paying for the survey.

Federal Grant Pending

There is a possibility that the county will receive a federal allocation for part of the survey cost early next year, probably in March, Buehler said, but the county meanwhile must be prepared.

Judge to Rule on Chouteau Vote in Week

A ruling is expected "within a week" on a request for an election to incorporate the proposed village of Chouteau in the western Mitchell area.

Conducting a hearing Tuesday morning at the Madison county courthouse, Chief Circuit Judge James O. Monroe Jr. heard testimony supporting the request and also a challenge that the 1.9-mile area is a "village in fact."

Saying he would study the question of whether there is sufficient contiguity in the horseshoe-shaped territory, Judge Monroe reserved judgment on whether to call an election to determine if the territory is a "village in fact."

Most of the discussion centered on the adequacy or inadequacy of a connecting link in the vicinity of the Mitchell railroad crossing. Chain of Rocks road and Interstate Route 270. About 30 persons attended the hearing.

It Would Be Filled In

Testimony brought out that the favoring incorporation proposed to fill in the middle of the horseshoe area by declaring it annexed. Property of William E. Reuter and part of the Union Electric Company's land in the Mitchell area would be encircled on three sides by the village.

Attorney Francis J. Manning represented the incorporators. Arthur Boyle spoke for those opposed, telling the judge that they had not yet had time to obtain a lawyer.

Flag later told the Press-Record that the area is substantially farther from Granite City than he had indicated.

He said he took into account a tract at Maryville and Nameoki roads which the Granite City school district has voted to purchase. The proposed junior high school campus is not a part of the city.

Statutory requirements were described as including territory of less than two square miles, at least 400 residents and a petition by 35 or more electors.

James E. Greer, 5504 Maryville road, and Steve Novell III, Rural Route 20, Box 1133, testified that they had circulated a petition containing 54 signatures. Each said he witnessed all but two of the signatures.

Greer said the area includes 424 occupied single-family residences, 28 apartments and 98 mobile homes, plus seven vacant houses and 30 commercial establishments. Saying that he figured an average of four and a half persons in each home, he placed the total population at 2286.

A discussion at a public meeting earlier this week placed the number of registered voters at 1004.

Novell told the judge he

City Ward Redistricting In Hands of 8 Aldermen

Reluctantly, Granite City council members took steps Monday night toward redistricting the city wards in time for the April 1969 city election.

Mayor Partney early in the council session named an eight-member redistricting committee of four aldermen whose terms expire in 1969 and four others with terms expiring in 1971—representing each of the present eight wards.

That proposal was tabled on a motion by Alderman Robertson.

Seven or Eight?

While aldermen debated whether to redistrict the city with seven or eight wards, Boyd proposed that the eight aldermen whose terms expire in 1969 prepare the redistricting map. The motion was approved, and the mayor named Fourth Ward Alderman Rutledge to serve as chairman.

Others on the list will be Dallas in the First Ward, Bartosik, Second; Poulos, Third; Basarich, Fifth; Fry, Sixth; Robertson, Seventh, and Johnson, Eighth.

Maps with precinct populations were given the committee members by Partney.

Fast or Slow

In discussing redistricting, the council appeared about evenly divided on forging ahead immediately and "taking it easy."

There was even a question as to whether to cut back on the number of wards to comply with state statute.

City Atty. Allen was called upon for interpretation of the recent Appellate Court ruling. He pointed out that while the higher court threw out the order to redistrict in seven wards, another mandamus suit could be filed.

Last April's confusion

Last spring, such a suit was filed and threw the April city election into a turmoil, council members recalled. Allen pointed out the state law provides for eight wards if a city population is 50,000 or more, and in a special census, Granite City's

population dropped from 40,000 to 38,000.

"You know where you stand," he told the council.

Robertson and Basarich argued for proceeding slowly, while Rutledge, Fry and Partney called for work to begin immediately.

Mayor Partney suggested the committee start its task right away and recommended hiring an engineering firm.

Franchise Rejected

"You've got a year and a marked," he said.

Driver License Station to be Moved Downtown

The drivers license examining station in Granite City will move from 2323 Washington avenue to 1815 Edison avenue effective Jan. 2, it was announced by the office of Chief Examiner Alvin Barnett in Springfield.

The new location will provide better parking facilities and the newly remodeled building will better accommodate the public. The area will provide a better testing route.

The new office will be staffed by the same personnel, including examiners Frank Smith, Paul Moore and James Kostoff, and Catherine Macko, office clerk. Hours of operation will be unchanged, from 8 a.m. to 4:30 p.m. Mondays through Fridays.

Draft Call Friday

Two Quad-City area men are to report tomorrow morning to the county selective service office in Edwardsville for Army induction. Sixteen others are to report for pre-induction physical exams.

Mr., Mrs. Dashwood Hear President in Washington

Michael Dashwood, new president of the Union Division of Miles Laboratories, Inc., (Union City, Ind.), was one of the businessmen who attended a one-day foreign policy conference Monday at the State Department in Washington, D. C.

He and Mrs. Dashwood were among guests at a reception given by Secretary of State and Mrs. Dean Rusk in the Benjamin Franklin room of the State Department, where they also had the opportunity of meeting President Johnson and Vice-President and Mrs. Humphries.

In a speech to the guests, President Johnson compared Vietnam dissenters to those who sought to appease Nazi Germany and Fascist Italy.

He reminded his audience that a lot of people were looking for the easy way out in Hitler's time and in Mussolini's time. The President emphasized that opinion in Asia has changed substantially from what it was a few years ago when the nations of Asia "were hypnotized by the menace of China. Now that has changed, and the major agent of change has been our firmness in Vietnam."

Mr. Johnson presented a wide survey of his administration's foreign policy achievements.

An agreement with Britain and Germany on troop levels which checked costly outflow of dollars in Germany; the Kennedy round reduction in import tariffs; cooperative efforts to stabilize currencies in the free world after Britain's devaluation; the Latin American summit conference at Punta del Este with its agreements on economic integration; and the avoidance of a dangerous war in the Middle East.

Mr. and Mrs. Dashwood returned here this week from Washington.

Trimpe to Revive Jr. College Plan At Steering Meet

Wilbur Trimpe, Madison county superintendent of schools, is planning to revive interest in the proposed Lewis & Clark junior college district which was defeated by referendum in April.

He is to set a meeting of the junior college steering committee the week after next at the Edwardsville junior high school, with the call to be issued to appear on the agenda.

A definite date depends upon the availability of members of the state junior college board, some of whom are to be invited to help organize the campaign.

Trimpe said that time may be running out for formation of a junior college district for Madison county and all or parts of seven other area counties.

If two junior college proposals now in the election stage in Illinois pass, the Legislature is not expected to permit formation of more than five more.

District Annexation

Should the Lewis & Clark district not be among those five, the area probably will be split up and annexed to other districts, he said, and area voters would have little voice in those districts.

There are now 33 junior college districts in the state and include 85% of the population, Trimpe noted. He believes the Legislature eventually will force all areas to join junior college districts.

He noted that the state finances 75% of the building costs and 50% of the operation costs. "We're paying right now for those other 33, and yet we are getting nothing in return," he said.

Trimpe feels that the first attempt to form the district was defeated because of public apathy and supporters of the district who "just didn't get out and work for it."

Changes in Laws

Two changes have been made in the junior college laws since April. The first provides that all counties participating in the election will pay a proportionate share of the election costs.

Previously, Madison county had to bear the entire cost of the election as it was the largest of the eight involved.

The second change provides that the junior college does not have to pass in both urban and rural areas if less than 30% of the assessed valuation lies in the rural areas.

Trimpe said only about 24% of the assessed valuation of the proposed district lies in rural areas, and the change will simplify the procedure for establishing polling places.

Educational Program For Small Businesses

The St. Louis Regional office of the U. S. Small Business Administration in cooperation with St. Louis University, O'Fallon Technical high school adult education, University City education, Washington University, and Business Professional Societies are offering educational programs for the small businessman and those persons contemplating going into business.

The programs will vary from a six week duration to 15 weeks, one night per week for two hours as well as one day conferences.

Courses and conferences will be given in Bookkeeping, Salesmanship, Advertising, Accounting, Business English, Business Machines, Managing a Small Business, Basic Business Fundamentals, How Collective Bargaining Works, Creative Problem Solving, Administrative and Financial Management and many other subjects. Several of these programs start in January, 1968.

Special Skating Session For Parochial Pupils

The ice rink at Wilson park will be opened early on Friday for parochial school children who will have a holiday for Holy Day.

Regular admission prices will be charged when the rink opens at 12:30 p.m. The special skating session will end at 3 p.m., when the regular session begins.

Collide in Madis-on

A car driven by Joseph B. Marshall, Berkeley, Mo., was damaged in the front, and one driven by Susan F. Doty, 2321 Edison avenue, was damaged in the rear in an accident at 12th street and Madison avenue, Madison, at 4:30 p.m. Tuesday. Both cars were headed north on Madison avenue when the accident occurred, police said.

Social Concerns Council Elects Sister M. Thomas

Sister Mary Thomas, St. Elizabeth Hospital administrator, was elected to head the Quad-Cities Social Concerns Council as the organization's first president. The election meeting was held yesterday in the hospital library.

The council consists of representatives of several area social service agencies, public and private, which are engaged in such activities as health, welfare, recreation or general community service.

Also named were Marvin Van Metre, YMCA executive, vice-president; Jerry L. Staten, director of the Mental Health Society's Quad-City Center, treasurer; and Mrs. Lorraine Parkinson, supervisor of Catholic Charities' local office, as secretary.

Elected to the board of directors were Army Capt. John P. Jones, Granite City Army Depot chaplain, one year term; Donn Hornberger, Illinois Youth Commission, two-year term; and Dr. Felecia D. Koch, local physician, three-year term.

In accordance with council by-laws, all positions filled at yesterday's meeting will be re-

open to election at the first annual meeting in midsummer. Van Metre, who acted as temporary chairman prior to the official election yesterday, welcomed newcomers to the council and conducted the initial portion of the meeting.

Sister Mary Thomas reviewed progress of the "Well Baby Clinic" project for impoverished Quad-City families, which is being conducted every two weeks at the Madison EOC Neighborhood Service Center. She noted the need for such a clinic was uncovered during earlier meetings of the Social Concerns group.

Among the objectives of the council will be compilation of a directory listing social and welfare services available in this area.

A permanent council roster is to be established, and each organization falling into the category of a health-welfare agency is entitled to two voting delegates.

Officers and board members agreed to meet in executive session during the first week of January, with a general meeting to be held Jan. 17.

Mother Rosalia, 90, Former ODP Superior, Dies

Mother Mary Rosalia Weaver, 90, a former Provincial Superior of the Order of Divine Providence and one of three Sisters who signed a charter in 1930 incorporating St. Elizabeth Hospital, died at 12:30 a.m. Tuesday at the Motherhouse, 8331 Florissant road, Normandy, Mo.

Born in Dover, Ohio, on Oct. 20, 1877, Mother Rosalia took her perpetual vows on July 28, 1908. She came to Granite City in 1930 as Mother Provincial, with the primary purpose of founding the St. Louis Province of the Order of Divine Providence.

Mother Rosalia remained at St. Elizabeth Hospital until 1933 when the Order's first provincial headquarters was established in Normandy, Mo. In ensuing years, she was responsible for building the new Motherhouse, presently in use in Normandy.

She served as Mother Provincial until 1950 when she was succeeded by Mother Lucina. During the same period of time, she also served as president of St. Elizabeth's governing board. Mother Rosalia is the last surviving nun among the three Sisters who signed the hospital charter.

In recent years, Mother Rosalia spent considerable time writing the history of the St. Louis Province. She also taught in the Candidate High School, retiring from the latter position only one year ago.

She is survived by a sister, Miss Mary Weaver of Dover, O.; and two brothers, Victor

Two Boys Admit 15 GC Burglaries

Two Granite City boys, both 16, admitted burglaries at 15 homes, business establishments and a church in the north section of the city after they were arrested Tuesday night in connection with an attempted burglary.

They were picked up at East 24th and Henry streets after they were seen leaving the home of William DuBay, 2739 Sunset drive, at 7:20 p.m. They had removed a rear storm window. DuBay was asleep in his home at the time.

The boys were turned over to the Granite City juvenile officer for questioning. Some of the loot was recovered at their homes, police said.

Weaver, Mineral City, O., and Eugene Weaver of Stuart, Fla. Funeral arrangements are given in today's obituary column.

The annual Christmas dinner for the Elkettes was attended by their members on Tuesday evening at the Elks club.

Holiday decorations prevailed throughout the room and hand-made candles with holly decorations were used as individual favors. The larger candles used as the table centerpieces were given as prizes in the games.

Prizes went to Mesdames Ruth Bischof, June Sadloft, Robbie Fey, Olyve Kahler, Mildred Feihling, Shirley Rapoff, Mary Perdue, Laverne Neumann, Mildred Branding, Lorraine Williams, Ruth Schuster, Blanche Leuchter, Kathryn McGee, Hilda Davis, Helen Mastry, Marge O'Neill, Dorothy Sheppard, Clara Harbig, Phyllis Bills, Patricia Green, Kay Jelf, Pauletta Mueller and Ann Gran.

Birthday of Jr. Girl Scout Troop

Junior Girl Scout Troop 330 met Monday afternoon at Nieringhaus school with the leaders, Mrs. Mary Fryntko and Mrs. Joyce Lawson, for a troop birthday celebration.

The meeting opened with a flag ceremony and singing of "America."

The troop members reported the Girl Scout laws and rededicated themselves in a candle-lighting ceremony. The Girl Scout promise followed and the girls received their member stars from the leaders.

The meeting closed with a game.

Games, Girl Scout songs and Christmas carols were sung by the troop and refreshments were served by the troop committee mothers. Serving cake, ice cream and hot chocolate were Mrs. Queenie Elieff, Mrs. Mary Elmore and Mrs. Rosemarie Culp.

Receiving second-year junior membership stars were troop members Carol Smith, Barbara Baumberger, Magdalene Fryntko, Nancy Greer, Cynthia Thomas, Becky McCormick, Anastasia Elieff, Linda Thompson, Kathy Lawson, Cathy Stacy, Debbie Elmore, Terry Hawkins, Dana Hutchins, Terry Lynn Randall, Robin Stanton, Susan Thompson and Sue Ann Culp.

Third-year junior stars were awarded to Paula Tucker, Linda Kulenkamp, Cindy Allison, Patty Reinhardt and Elaine Williams.

New troop members attending were Jeri Johnson and Mary Joyce Osborne.

Guests of the troop were Mrs. Irene Williams, Mrs. Marcella Tucker, Mrs. Katherine Kulenkamp, Mrs. Lawson, an aunt of troop member Kathy Lawson, who is visiting in Granite City from Pennsylvania, and Timmy Elmore and Michael Fryntko.

Aid Society Holds Election

The Macedonian Bulgarian Ladies Aid Society held their monthly meeting Tuesday evening at Holy Trinity Church, 13th street and Grand avenue.

Mrs. Mary Andria, president, presided over the meeting and welcomed the guests and members. A report was given by Mrs. Milka Klysheff, secretary.

A review of a recent banquet was given and a discussion for the Christmas party and gift exchange, which will be held Jan. 2.

An election of officers for the 1968 season was held with Mrs. Andria re-elected as president; Mrs. Perakova Tarpoff, vice-president; Mrs. Klysheff, secretary; and Mrs. Elizabeth Malincheff, treasurer.

Mesdames Tomara Kirchoff, Mary Kocallieff and Marie Nosselt will serve on the auditing committee. Mrs. Helen Hintersper will be the corresponding secretary. Mrs. Tasa Georgeoff, visiting chairman, and Mrs. Tina Gitchoff, advisor.

Refreshments were served to 20 members.

Circle Adds Three Members

Three new members Mrs. Ruth Conners, Mrs. Grace Heli-sley and Mrs. Glenda Hester were welcomed at the monthly meeting of the Victoria Park Auxiliary of Calvary Baptist Church, on Tuesday evening.

The theme for the meeting was "A Life Thru in His Name in the Orient," with Mrs. Eunice Taylor, prayer chairman, in charge. Opening prayer was given by Mrs. Heli-sley and the devotion entitled, "Jesus The Healer," was presented by Mrs. Vernice Wortman, taken from the scripture John 5, 1-9. Others assisting with the program were Mesdames Pat Heath, Lena Hurbert, Ruth Wolf, Della Stephens and Phyllis Knight.

Mrs. Ruth Conner closed the program with prayer.

A brief business meeting followed with the announcement the Community Missions for this month will be the collection of canned foods and a scrap book food basket.

Mrs. Stephens gave the stewardship report for the past meeting will be held at the church on Jan. 2.

Hostesses for the evening were Mrs. Seibold and Mrs. Grobski. Mrs. Tankley closed the meeting with prayer.

To say the least is not some people's way of doing it.

OCAWIU Elects New Officers

A monthly meeting of the OCAWIU 663-A was held Monday evening at the Jaycee Clubhouse, 1888 Poplar street, with the president, Mrs. Jacquelyn Rost, presiding.

The flag pledge was led by Mrs. Mary Tankley, followed by reports by the club's officers.

Mrs. Ann Mae Allison was appointed to serve with the decoration committee.

An election of officers was held with Mrs. Rost re-elected president; Mrs. Jolene Meyers, first vice-president; Mrs. Mary Tankley, second vice president; Mrs. Anna Mae Allison, conductress; Mrs. Zella Pouch, warden; Mrs. Clara Cook, guardian; Mrs. Mae Pirtle, historian; Mrs. Virginia Webb, chaplain, and trustees, Mrs. Jean Seibold and Mrs. Florence Schall. Installation of officers will be held on January 20 at the Red Bowl.

Hostesses for the evening were Mrs. Seibold and Mrs. Grobski. Mrs. Tankley closed the meeting with prayer.

MORE ABOUT Redistricting

proceeding the regular council session, the aldermen rejected a 30-year franchise proposal with East St. Louis & Urban Water Co.

Officials of the water company were in the audience as council members attacked the proposal as inadequate and several suggested the city take over the company for a municipal water system.

The presentation was made by Alderman Fry, chairman of the Fire and Water committee, who said the savings to the city would amount to approximately \$14,334 a year and would total \$430,000 over the 30-year period.

Outlining the benefits, Fry said the city, which now uses about 1,100,000 gallons of water a year, would get 1,300,000 gallons without cost, as well as a 10% discount on the monthly \$1600 rental charge for the present 30 fire hydrants.

Want Larger Discount
Also in the proposed franchise which was thrown back to the committee for renegotiation for added benefits including a greater discount on hydrant rentals, are replacement of inadequate fire hydrants at the rate of four a year for six years, installation of hydrants at 1828 Spruce street, St. Louis avenue and Spruce street, Independence drive and Harding blvd., 23rd and Adams streets and 25th street and Circle drive.

In the second year of the franchise, hydrants would be placed at 28th and Edison avenue, 25th and Circle drive and Washington and Bromley avenues.

The water company also would install a line across the Army Depot (estimated to cost \$25,000) to serve the sewage treatment plant and save the city \$1400 a year on its water bill there.

Enlargement of water mains in Lincoln Place and scattered areas of the city and provisions for expansion of the water system as the city grows also are included.

Council members objected to one provision that the company be permitted to construct a storage reservoir in the vicinity of Nameoki and Pontoon roads.

The proposal was rejected by the city earlier this year to hold as a weapon for franchise talks.

GC Jaycees Induct 7; Plan Gift Presentation

Granite City Jaycees welcomed seven new members last night including David Partney, Granite City Sheet Metal; Franklin Zobel, Illinois Power Co.; Melvin Arbogast, Catalytic Construction Co.; St. Louis; Gary Gorrelle, Clifford Jones, General Steel Industries; Herschel Smith, Gateway Dryware; and Walter Rosycki, Rosycki Realty Co.

The Jaycees' annual Christmas Party, at St. Elizabeth Hospital will be Dec. 20 at 6:30 p.m.

A Santa Claus will distribute gifts to the young patients and clowns will entertain children confined to their cots. Yuletide treats will be served.

James Jeffries, president, announced the local club will present two plastic dome covers for infant cribs to the Sisters at St. Elizabeth Hospital during the Christmas party.

Gary Davis was appointed to arrange a New Year's Eve party.

Judge Madison Yule Lighting on Dec. 20

Annual judging of Madison home exterior Christmas lighting displays will take place Wednesday evening, Dec. 20, it was announced today by Harvey Miller, Madison Rotary club president. Five \$20 prizes will be awarded by the club, which has as co-sponsor for the contest the Illinois Power Co.

Burglaries Mark Crimes This Week

Five shotguns and two .22 caliber pistols were stolen in a burglary at the home of Ole Hinchcliff, 2235 East 23rd street, Dec. 19.

The shotguns were 12 and 20 gauge, with one being an antique and two having double barrels. A nine-shot target pistol had a 12-inch barrel and an eight-shot pistol had a four-inch barrel.

The D & S Cafe, 1100 Douglas street, Venice, was broken into Monday night for the third time in three weeks, the owner, Mrs. Francis Thomas, reported to Venice police Tuesday morning. Burglars broke into the cafe after 10:30 p.m. and a day, police said, and forced open the coin boxes of four pinball machines and the juke box. An undetermined amount of change was taken.

Purdy Co. Burglarized
Burglars broke into the Purdy Metal Co. at Venice Tuesday night by breaking a lock on a door on the west side of the building and took about \$18 from a cigarette machine which they pried open with a screwdriver. A candy machine also was broken open, according to a report to Venice police, but nothing was taken from it.

It was the third theft report at the Purdy Co. within the last two weeks. Ten days ago \$6000 worth of brass journals were stolen from the company and a day later the coin box of the cigarette machine was looted.

The telephone was torn loose and stolen at the Illinois Housing Relocation office, 303 Slough road, Venice, according to a report to Venice police Monday afternoon. Entry was gained by forcing a window. Nothing else was taken.

Burglars Strike Twice
Burglars struck twice at the home of Elvin Mitcheson, 3102 East 22nd street, on Monday, according to reports to police.

Taken in the first burglary which occurred at night were \$100 from a small box on a dresser in the master bedroom and a carton of cigarettes from a kitchen table. A screw was torn out of a kitchen storm window.

At 8 p.m., he reported that the kitchen and entry in his garage were ransacked, but nothing was missing. Entry was gained through windows.

Barbara Holman, 1201 Rhodes street, reported at 10:35 a.m. Tuesday that a portable sewing machine valued at more than \$200 was stolen from her basement on Monday.

159 Watch Stolen
Allen Bright, 3140 Colgate place, reported Monday that her white gold watch was taken from her hospital room at St. Elizabeth Hospital while she was asleep last Nov. 20. She valued the watch at \$150.

A 1953 cream over blue auto was stolen from Sparky's service station, 59th street, Cleveland blvd., on Tuesday, it was reported at 10:45 a.m. Wednesday.

The 1957 auto of Samuel Wittmaler, Collinsville, stolen after 6:30 p.m. Tuesday on the lot at St. Elizabeth Hospital, was recovered by Madison county authorities at 11 p.m.

Malcolm Parker, 2549 North street, reported that his green 1950 two-door auto with blue front fenders was stolen at 5:15 p.m. Wednesday from 2011 Delmar avenue.

A cash box containing \$160 to \$170 was stolen from a store room in a burglary at the Plaza Coin-Operated Laundry, East 25th street and Nameoki road, it was reported at 8:30 a.m. today. Entry was gained through a rear window.

Gas Welder Stolen
A gasoline-driven welder was stolen from the Strang & Coleman Mechanical Construction Co. of East St. Louis, a contractor for the National Marine Service Co. north of the Chain of Rocks canal locks, it was reported to the sheriff's office at 2:45 p.m. Tuesday by Perry Tayon of Granite City, an employee of the firm.

Robert Ray Wounded By Mortar in Vietnam

Specialist-four Robert Ray Jr., whose parents live at 3043 Marshall avenue, has been wounded by enemy mortar shrapnel but apparently was not hospitalized, his parents have learned. In the Army since April 1968, he volunteered for Vietnam and arrived there Oct. 10, 1967, only six months before his scheduled discharge.

A 1964 Granite City high school graduate and a former Granite City Steel Co. employee, he spent 15 months at Fort Leonard Wood, Mo. He has since earned the Purple Heart and Combat Infantryman's Badge. The wound was received while on a Ninth Infantry Division patrol.

Madison Beard Contest

A beard growing contest is planned as part of the Madison phase of the Illinois sequen-seminal, and further plans will be made at a meeting at 2 p.m. Sunday at 801 Washington avenue, Pete Plantz, acting chairman, announced today.

'Tree of Lights' Gains

The Salvation Army's Tree of Lights now has 86 bulbs illuminated as donations total \$246. The goal this year is \$6000 to provide food baskets, clothing and toys to nearly 500 area families.

Marriage License

A marriage license has been issued in St. Louis to Nicholas Wolke Jr., Madison, and Coleen A. McCormick, St. Louis.

Home from Hospital Mrs. Mae Purdie, 2121 Benton street, returned home Wednesday following 20 days at St. Elizabeth Hospital, where she underwent surgery and treatment.

Volunteer Groups At Christmas Kettles

Three local organizations will serve as Salvation Army Bell-ringers tomorrow and Saturday, Capt. Harold F. Thomas, local SA commander, announced today.

Members of Emerson PTA will man the kettles from 9 a.m. to 5 p.m. Friday, with Granite City Rotarians taking over from 5 to 9 p.m. Members of Granite City Moose Lodge 272, will be stationed at the kettle sites between 10 a.m. and 9 p.m. Saturday.

Earlier this week, the Granite City Salvation Army League of Mercy gave a Christmas party at Scott Air Force Base Hospital and hosted the annual Golden-Agers Yule luncheon party at the Salvation Army Citadel, 19th street and Grand avenue.

League of Mercy workers will visit area nursing homes and the Maryville Children's Home starting Sunday through Wednesday.

GC HS in Contention Thruout First Soccer Game, Loses 1-0

Soccer made its debut as a Granite City high school varsity sport this week, the Warriors dropping a 1-0 decision to Assumption at Jones Park, East St. Louis, Tuesday afternoon. Despite the setback, there was no excessive sorrow. Any brand new team requires time to jell, and some fans regarded it as surprising that GC HS was able to hold its own. The competition proved to be so close that the game could have gone either way. Coach Tom Wyrostek's Warriors earned 11 scoring opportunities while holding the host squad to seven. The lone score came in the closing minutes of the second half. Goalsie Dan Hodge was praised for his efforts. "He made several fine saves on shots that could have cost us a larger score," the coach related.

John Winfield and Mike McGovern were credited with shots that came close to being goals.

Martinez Captain
The Warrior soccer players, who have elected John Martinez as their captain for the 1967-68 season, will play at Augustinian Academy, St. Louis, at 4 p.m. tomorrow and at Alton's Western Military Academy (varsity and junior varsity games) at 4 p.m. Tuesday, Dec. 12.

GC HS sophomores will host Augustinian at 4 p.m. Friday, Dec. 15, and the varsity and jayvee teams will entertain Rosary high school at 4 p.m. Wednesday, Dec. 20. There are a few extra players, but the general makeup of each of the three teams- varsity, junior varsity and sophomore-is an 11-member starting unit and 11 backup men. The positions besides goalie are left wing, inside left, center

forward, inside right, right wing, right half, center half, left half, left fullback and right fullback.

Only one on the field allowed to handle the soccer ball with his hands is the goalie; he may do so in the goalie box or penalty area.

Kicking, Heading
All others advance the ball by either kicking the ball or allowing it to bounce off their heads. Although the sport is new to GC HS inter-scholastic competition, the team is not entirely inexperienced. About 12 of the students are veterans of the Granite City YMCA soccer program, in which players as young as seven years of age compete. Emphasis in this fall's training has been placed on dribbling, passing, trapping and heading.

ST. LOUIS U. SOCCER
COACH Harry Keough, one of the speakers at a public trophy presentation to teams in the YMCA soccer league here at 7 p.m. Friday.

Wrestler Cavanaugh Is Called 'Greatest' Ever at Missouri U.

Steve Cavanaugh, who was co-captain of Granite City high school's state champion wrestling team in 1965 and is now a student at Missouri University, has been cited by Missouri Mat Coach Nap Whitney as "the greatest wrestler in Missouri history."

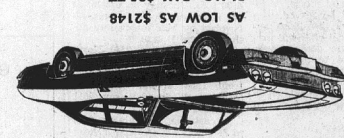

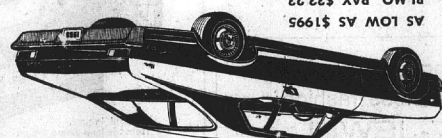

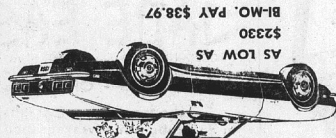

Cavanaugh, who is attending MU on a scholarship, is wrestling in the 123-pound class this season. As a sophomore last season, the nimble Tiger muscled his way to a 20-5 season, a Missouri record, as was his 68 points for the year. He placed second in the Big Eight at 115 pounds, also a first for a Missouri matman. The grappler is a crowd pleaser, as he always moves around the mat and is aggressive, his coach said. He is the son of Specialist Six and Mrs. Thomas J. Cavanaugh, 2409 Delmar avenue. berdi 258.

YMCA Soccer Awards Fri.

Trophies earned by members of the YMCA Soccer League will be presented during an awards meeting at 7 p.m. Friday at the local Y.

The program also will feature talks and a film of a game between the Santos team of Brazil and the International team of Italy. The Santos include Pele, regarded as the greatest soccer player in the world.

Speakers will be Harry Keough, St. Louis University soccer coach; Bob Kehoe, publicity director of the St. Louis Stars professional soccer team; and Tom Wyrostek, GCHS soccer coach.

Big Weekend in Store for High School Varsityes

Five high school varsity athletic events highlight this weekend's schedule.

Madison high school will open its home basketball season at 8 p.m. tomorrow against Mater Dei of Breese, and Venice cagers will host Livingston at the same time.

For GCHS teams there will be a soccer game at Augustinian Academy, St. Louis, at 4 p.m. Friday, a basketball game at Collinsville high school at 8 p.m. tomorrow and a wrestling tournament at Rite-nour with sessions starting at 6:30 p.m. Friday and noon and 7 p.m. Saturday.

The Warrior-Kabok clash offers a confrontation between veteran Collinsville Coach Vergil Fletcher and another of his former students, Donald Deterring, now at the GCHS basketball helm. Deterring's predecessor, Ralph Sackett, also was a Kabok alum.

Tom Parker, who led Collinsville to a 68-55 win in the teams' last clash is back to help the Kaboks try to duplicate last year's 22-1 record.

With another week of practice, powerful MHS hopes to perform smoother than against Wood River, which it defeated by 20 points.

Tomorrow's visit by Livingston will open Venice's MCM Conference campaign.

Cage Sophs Win 81-52

Coach Dick Harmon's GCHS sophomore basketball team won at Belleville Althoff 81-52 Tuesday night. High scorers were Steve Harris, 18 points, Jerry

Tom Modglin, Jon Jenkins Awarded Eagle Scout Rank

Eagle rank was awarded last night at Maryville grade school to Tom Modglin, 17, president of Maryville PTA, Explorer Post 86, and Jon Jenkins, 16, a member of Boy Scout Troop 96.

A large group assembled in the school gymnasium to honor Modglin, a Granite City high school senior, son of Mr. and Mrs. John Jenkins, 2442 Lynch avenue, and Jenkins, a GCHS junior, son of Mr. and Mrs. John Jenkins, 2442 Lynch avenue.

Cahokia Mound Council President Carl E. Mathias presented the challenge, Uniwah District Executive Edwin Menke Jr. administered the oath and Council Vice-President Rollin Henn presented letters from Chief Scout Executive Alden Barber.

Principal John Mulach welcomed the gathering and Uniwah District Chairman William F. Winter was master-of-ceremonies. Scouting histories were given by Explorer Advisor Raymond Gaudin and Scoutmaster Kermit White and the Eagle review was given by Al Gaudin, George Nemeth and Henry Modglin.

H. V. Curtis read an Eagle poem. Flag and candlelighting ceremonies were held and troop awards were presented prior to the Eagle court of honor. Refreshments followed.

Hugh Wade, 48, Dies Today in Hospital

Hugh J. Wade, 48, of 2001 Lee avenue, died at 5:20 a.m. today at Cochran Veterans Hospital, St. Louis, where he was a patient since Oct. 17.

He formerly was employed as a welder at Lipsett Steel Products Co. for six years before retiring a year ago. He was a native of Mt. Vernon.

He is survived by his wife, Mrs. Norma Wade; two sons, Joseph and Clint Wade; two daughters, Mrs. Robert (Shella) Meister and Holly Wade, all of Granite City; his stepfather, William Berry, Mulberry Grove, two sisters, Mrs. Claude (Mildred) Smith and Mrs. Diamond (Doris) Smith, both of Fort Lauderdale, Fla.; and three grandchildren.

Arrangements are incomplete at the Lahey funeral home, 581 Madison avenue, Madison.

Johnson 15, Dave Melzer 13 and Jeff Boyles, 11.

MORE ABOUT

Two Hurt

Madison was admitted after chest x-rays. Her daughter, Kathy Browning, 16, who had a two-inch laceration to her forehead, was admitted following x-rays. Hansen, who struck his chest against the steering wheel, was treated and released.

Hansen was headed north on Johnson road when the Brownig auto came from behind a halted bus. She said she applied her brakes but slid on icy pavement into the path of the other car.

Two Persons Hurt

Two persons suffered minor injuries when an auto driven by Charles H. Gebhart, 2341 Lincoln avenue, collided with a Southern Bell Telephone Co. truck driven by Hugh A. Cunningham, 34, of East St. Louis, Monday at 26th street and Cleveland blvd. The truck overturned.

Cunningham and Betty Herman, 30, of 1322 Spring avenue, a passenger in the Gebhart auto, were hurt. Cunningham was charged with failure to yield right-of-way with a control present.

Veering to the right to avoid another car, an auto driven by Jerome J. Ropac, 34, of 109 Riviera drive, struck the left rear of the parol car of Ervin Weiss, 61 Riviera drive, in front of his home at 6:15 p.m. Monday.

Ropac and Nanette Ropac, eight, were taken to St. Elizabeth Hospital where they were treated and released. Both were x-rayed.

MORE ABOUT

Levee Board

condition the levees around the canals could give way under a 40-foot river stage.

Tolar Explains Problems
Tolar detailed the problems confronting the levee district in a half-hour talk at the regular meeting of the levee board yesterday morning, pointing out that the work is an immediate "must" but that the levee district does not have the money to do the work.

He admitted that the silting condition of drainage ditches and channels throughout the district is such that heavy rains would present a "dangerous threat" of interior flooding in many parts of the district. He added that the demands of the Corps of Engineers for updating of physical facilities of the pumping stations is a directive with which the district must comply, and is also a situation in which the engineering corps can provide no financial assistance.

NEW OFFICERS of the Tri-Cities Independent Association are, left to right—Robert Rouland, secretary-treasurer; Thomas Kiely, president; and Kenneth Rapp, vice-president.

Stephen, Butch and Randy Pyles, Yvette Allen, Ralph Bauer and Darla, Crystal and Michelle Staggs.

Mrs. Linda Sommers of Woodlawn avenue is undergoing treatment in Christian Welfare Hospital, East St. Louis.

The Women's Missionary Council of the Tri-City Park Tabernacle met Tuesday for a day of quilting and fancy needle work.

Its Christmas party will be held at the Fellowship Hall on Dec. 15.

Ladies present were Mesdames Frances Shoemaker, Fenia Arnhart, Ola Burris, Grace Hecht, Marg Hildreth, Elsie Mathenia, Emily Bolton, Mildred Rushing, Glenna Staggs, Linda Hildreth, Delores Townsend and Leola Tucker.

Postal Route Authorized (Special from Washington)
Rural Route Two, served by the Granite City post office as an auxiliary postal route since last July, has been designated by the U.S. Post Office Department as a regular route. It was announced today by Cong. Melvin Price (D) East St. Louis. The new route is 25.9 miles long and serves 526 families through 508 boxes in the Mitchell area.

Gun Club to Elect
An election of officers for the 1968 year for the John N. Marshall Gun club will be held Saturday at the club's range from 10 a.m. to 5 p.m. There will also be a turkey shoot, with a choice of still or moving targets.

Independent Insurance Agents Elect Officers

Thomas Kiely of the E. J. Miller Agency was elected president of the Tri-Cities Independent Insurance Association at a luncheon Wednesday at the Grand Cafe.

Others elected at the bi-monthly meeting were Kenneth Rapp of Maryland Real Estate and Insurance as vice-president, and Robert Rouland of the Ashby Agency secretary-treasurer.

The next meeting will be held Jan. 10 at the Grand Cafe.

MORE ABOUT County Plans

pared to finance the entire survey in the event the federal allotment does not materialize. The federal allocation was set up originally to provide a survey of the waste disposal problem by SIMAPC in the area it serves—Madison, St. Clair and Monroe counties. Estimated cost of the tri-county survey ranges from \$80,000 to \$85,000, of which the federal government was to provide \$10,226 for Madison county, \$11,918 for St.

Clair county and \$705 for Monroe county. The balance would have been provided in matching shares from the three counties.

"We can't wait for the combined survey," Buehler said, "and that is the reason we met with SIMAPC officials. We are going to have to go ahead on our own and get this problem worked out as soon as possible." It was estimated the Madison county survey will cost about \$25,000.

County Can't Wait.
Buehler said he thought it probable that Madison county still will receive part of the sur-

vey cost from federal sources, but that "the time element is such that we can't chance it. We will have to arrange to pay for a survey now. If we get the federal share, it can repay the county for at least part of the money we spend for the survey. Any referendum proposal drafted by the county would involve issuance of revenue bonds in an amount necessary to install the system eventually recommended by the survey, it was pointed out. The county recently investigated details of a composting system being installed in a number of municipalities in the midwest.

Laura Peck Rites Set
Funeral services will be held in East St. Louis tomorrow for Mrs. Laura Peck, 87, of Washington Park, the mother of Ralph and Harry Peck, both of Madison. Mrs. Peck died Tuesday afternoon of a heart ailment. She also is survived by another son and daughter, 19 grandchildren, 30 great grandchildren and 20 great-great grandchildren. Burial will be at St. John's cemetery here.

ANNOUNCE BRIDGE CLUB WINNERS

The Granite City Duplicate Bridge club held its weekly meeting Sunday evening at the Elks club.
First-place honors went to Al Schaefer and Nat Broede, and between Mr. and Mrs. Al Lanan, Mrs. Bernice Grzesak and Mrs. Helen Meyer.
On Monday morning, the Nameoki Duplicate Bridge club met in the home of Mrs. Helen Meyer, 2832 Yale drive, for a weekly session.

A tie for first included Mrs. Golda Belser, Mrs. Karmyn Edwards, Mrs. Betty Caldwell and Mrs. Meyer, and third place went to Mrs. Betty Oesterle and Mrs. Marie Huff.

Mrs. Meyer, director for both clubs, announced a Christmas party and luncheon for the Nameoki club will be held Dec. 11 in her home at the regular meeting time.

The Granite City club will meet again Sunday at the Elks club.

PACK 96 PLANNING CHRISTMAS PARTY

A committee meeting of Cub Pack 96, sponsored by the Marysville school PTA, was held Monday evening with Harold Brandon, cubmaster, presiding.
Plans were made for the annual holiday party for the scouts Dec. 18 at 7:30 p.m. at the school. Each boy is to bring a 50-cent gift unmarked, and if other children in the families are to attend their parents are to bring a gift with their name on it.

All mothers of scouts are to provide Christmas cookies for refreshments. Mrs. Pat Mullen's Den Two will present the opening flag ceremony and the remainder of the time will be spent singing Christmas carols.
The cub scouts will bring canned food to be used for baskets for needy families.
Brandon announced a new den mother, Mrs. Mildred Aldridge, for Den Five.

BRIDAL SHOWER HONORS MARGARET ANN ROMINE

A bridal shower was held Sunday afternoon at the home of Miss Carol Siebold, 3209 Fehling road, in honor of Miss Margaret Ann Romine.
She is to be married to Darrell Wilfong on Jan. 13.
The shower was given by Miss Siebold, Miss Linda Bauer and Mrs. Mary Ruth Romine.
The table setting was fashioned after the decor of the wedding party, with a centerpiece and a miniature bride and groom.
Games were played and Miss Romine received many gifts.
Guests attending were: Misses Barbara Lauder, Carol Reidel, Donna Moore, Christy Heinz, Rosie Yobby and Mesdames Judy Sutton, Pat Becker, Donna Hillmer, Katie Cox, Edwin Seibold and Ray Romine Jr.

BENEFIT MOVIE SHOW DEC. 16 AT THEATRE

Planning for a benefit motion picture program Saturday, Dec. 16, at the Washington theatre was completed at a meeting of the Parkway grade school PTA at the school Tuesday night.
Tickets are being sold by members of the PTA and at Graham's book store, the shoe department of the Leader department store and Kelly's meat market.
Many cartoons and a feature picture, "The Wizard of Bagdad," will be shown. Prizes totaling \$100, including a bicycle and transistor radios, will be given.

In other business at the PTA board meeting, conducted by President Francis Herman, it was decided to ask Nameoki township to install a traffic light at Wilshire drive and Stratford lane, the corner where all Parkway pupils living to the north cross Stratford.

It was noted that a Christmas program will be presented by students at the PTA general membership meeting at 7:30 p.m. Thursday, Dec. 14.
The PTA unit will furnish the children in all rooms with a Christmas treat on the last day of school before the holidays.
The next board meeting will be held at the school Jan. 9.

PRESBYTERIAN WOMEN PLAN YULE DINNER

Mrs. Irma Taylor, president of the United Presbyterian Women's Association, conducted a board meeting Tuesday evening at the Nameoki Presbyterian Church.
Final plans were made for the annual Christmas pot luck dinner to be held Monday at 6:30 p.m. at the church. Mrs. Marjorie Lybarger, Mrs. Joie Lybarger and Mrs. Ruth Todd will serve as hostesses.
Others attending were Mesdames Ben Pyle, Louise Anderson, Betty Flinn, Edith Simpson, Ruth Todd and Louise Thompson.

A group of women from the Nameoki Presbyterian Church met there Wednesday to make cancer drawings.
Each brought a sack lunch and Mrs. Fern Mitchell served dessert and coffee. Twenty-one cancer bandages were completed.

Those present were Mesdames Louise Anderson, Irene Stopkotte, Ruth Todd, Ellen Westerbeck, Betty Flinn, Erma Tucker and Louise Thompson.

NAMEOKI PTA BOARD PLANS YULE PROGRAM

Charles Mase, president of the Nameoki school PTA, presided at a board meeting Tuesday evening to plan for the annual Christmas program.

A short business meeting will be held Dec. 19, followed by a program entitled "Famous Men at Christmas," written by members of Mrs. Doris Greve's sixth grade reading class.

The scenery will be provided by Mrs. Ruth Denford's fifth grade room and music will be by all three sixth grades, the classes of Eugene Monahan, Mrs. Greve and Miss Lucile Macleod. The program will be under the direction of Kenneth Jones.

Reports were submitted by Mrs. Marian Spole, Mrs. Marie Piese and Mrs. Kate Wilson. Mrs. Virginia Hamilton, membership chairman, announced the PTA unit now has 612 members.

Ways and means chairman Mrs. Betty Rowlett told the group that ribbon and paper sales are now completed and a new project of selling record books and modern mathematics booklets will begin at the next meeting.

A tentative date for the annual basketball bazaar of Jan. 26 was given.

Mrs. Jo Ann Vaughn, room mother chairman, gave a review of the teachers' appreciation dinner held recently. Monahan announced a report on the school census has been completed.

Lutheran Forum Sunday

The 40th Reformation anniversary convocation of the three local Lutheran Churches will continue open forums on the Augsburg Confession at 7 p.m. Sunday at St. John's Lutheran Church, St. Clair and Dale avenues. The topic will be "Ministry—the Ways and Methods God Uses to Come to Us."

MORE ABOUT Judge to Rule

helped count homes and believes there are 2000 to 2200 residents.

When Judge Monroe called for any other comments, Boyle submitted petitions with 200 names objecting to the incorporation plan as "not contiguous."

Several members of the audience complained that some of those represented by Boyle live outside the initial boundary line.

Recalls Founding of Mitchell Boyle said the Mitchell area was founded 75 years ago by a family of that name, and that the Chouteau village map takes in the only western part, being connected to Douglas of Old Alton road property only by an unoccupied "string of land less than 20 feet wide."

Boyle contended that due to secrecy utilized by the incorporators, those opposed or wanting more information could not meet until Dec. 3 and therefore had not yet hired an attorney.

Manning asserted that the objection was improper, and that the "only relief open to objectors was to file a petition."

He cited a court decision which he said agrees with his opinion. Judge Monroe said that the cited was "a point well taken" and that an election itself would give dissenters a chance to be heard. However, he stressed that it is his duty to assure himself that the proposal is valid or invalid before rendering a decision.

"I have a duty to perform. The object of the objection to it are both noted," the judge added.

CHRISTMAS DINNER FOR FAST NOBLES CLUB

The Fast Noble Grand club of the Delray 788 Rebekah lodge met for its annual Christmas dinner party Tuesday evening at the Grand Cafe annex. Mrs. Verna Willman, president of the club, conducted a short meeting.

Mrs. Estella McBrian read the Christmas story. A gift exchange followed entertainment. Those taking part were Mrs. Mary Connole, Miss Margaret Brown, Mrs. Minnie Perry, Mrs. McBrian, Mrs. Erna Graves, Mrs. Ohloe Maxon, Mrs. Althea Gray, Mrs. Leora Rogers, Mrs. Ruth Hunsicker, Mrs. Elsie Vance, Mrs.

Virginia Gall, Mrs. Louise Eberhardt, Mrs. Edna Foster, Mrs. Thelma Stockton and Mrs. Dorothy Gregory.

HOLIDAY PARTY OF DEMOCRATIC CLUB

Gold decorated tables and gold room decorations added interest to holiday festivities of the Madison Ladies Democratic club at the Sportsman's club Monday evening.

The annual Christmas dinner party opened with the chaplain, Mrs. Hazel Swiger, leading the group in the Lord's prayer. A smorgasbord was enjoyed by 25 members and guests.

It was announced that due to the monthly meeting falling on a holiday in January, there will be meeting that month. The next meeting will be held Feb. 5, with Mrs. Nigel Maeras, Mrs. Ida Dant and Mrs. Georgia Graham as hostesses.

The club officers were hostesses at Monday's party. A moment of silence was held for the deceased president, Mrs. Mary Hava.

The remainder of the evening was spent singing Christmas carols and playing games, with prizes being awarded.

Those taking part were Mrs. Ida Dant, Mrs. Nigel Maeras, Mrs. Florence Spohr, Mrs. Verna Sikora, Mrs. Dotti Ramach, Mrs. Vera Vancura, Mrs. Margaret Fecurica, Mrs. Veronica Kula, Mrs. Nettie Gnojewski, Mrs. Cora Barr, Mrs. Violet Rader, Mrs. Juanita Brown, Mrs. Ann Bialczak, Mrs. Ann Gavilsky, Mrs. Helen Kozewich, Mrs. Josephine Kozewich, Mrs. Georgia Grace, Mrs. Maxine Costoff, Mrs. Caroline Pruitt, Mrs. Julia Hagan, Mrs. Frances Trout, Mrs. Kathleen Sawicki, Mrs.

Seabee Recruit Arrives Home Today on Leave

Seaman Recruit Michael L. McCold, son of Mr. and Mrs. L. McCold, 620 English lane, Mitchell, is expected home today to spend two weeks' furlough with his parents from duty with the Navy's Seabee Battalion.

A 1967 graduate of Granite City high school, McCold completed nine weeks of basic training at the Great Lakes Naval Station. He will depart Christmas Eve for the Seabee Base at Davisville, R. I. to attend the electrical training school.

Elizabeth Wisnick and Mrs. Marie Stawar. The vice-president, Mrs. Costoff, was in charge.

Miss Jeanette Triani, 100 Briarwood, president, was hostess to members of the board and officers of the Madison Junior Service club at her home Tuesday evening.

The home was decorated in keeping with the Christmas season. The Christmas dinner was served by Mrs. Alberta Mikolazuk, Mrs. Sharon Gregg, Mrs. Deloyce Rhoads, Mrs. Adity Warchol, Mrs. Jackie Frizzell, Mrs. Joie Barham, Jean Veangel and Mrs. Rita Barham.

Miss Triani was presented with a gift and the remainder of the time was spent playing games, with Mrs. Gregg and Mrs. Voegeli excelling and being awarded prizes. The group discussed the annual Christmas party, which is to be held Tuesday evening at Augustine's in Belleville.

ORDINANCE NO. 2511

AN ORDINANCE AMENDING NO. 2285 TO PROVIDE FOR "NO STOPPING OR STANDING" ON THE EAST SIDE OF MADISON AVENUE AT NIEDRINGHAUS AVENUE RATHER THAN "NO PARKING" IN SAID AREA

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GRANITE CITY, ILLINOIS: SECTION 1: That the language of Section 1 of Ordinance No. 2285 be amended to read as follows:

"It is hereby declared to be unlawful for any person, firm, corporation, servant, agent or employee thereof, to park any vehicle on the north side of Niedringhaus Avenue between Madison Avenue and Twenty-first Street; and on the north side of Madison Avenue, from one block to Iowa, in the City of Granite City, Illinois; it is also hereby declared to be unlawful for any person, firm, corporation, servant, agent or employee thereof, to park any vehicle or to stop any vehicle, even momentarily, as for example, to lead or unload passengers, on the east side of Madison Avenue at Niedringhaus Avenue in the following area: one hundred (100) feet in a southerly direction from the junction of Niedringhaus and Madison Avenues, said area being presently defined as a right turn lane, except in conformance with directions signified by a traffic signal."

SECTION 2: The Superintendent of Streets is hereby authorized and directed to post appropriate signs along and upon the said streets for the purpose of enforcing this Ordinance.

SECTION 3: Any person, firm, corporation, servant, agent or employee thereof who violates any of the provisions of this Ordinance shall pay a penalty of Three Dollars (\$3.00) if a ticket indicating such violation is presented to the police station within twenty-four (24) hours, or shall pay a penalty of Five Dollars (\$5.00) if a ticket indicating such violation is presented to the police station after twenty-four (24) hours.

SECTION 4: All ordinances and parts of ordinances in conflict herewith are hereby repealed.

SECTION 5: This Ordinance shall be in full force and effect from and after its passage, approval and publication as provided by law.

PASSED BY THE CITY COUNCIL OF THE CITY OF GRANITE CITY, ILLINOIS, this 27th day of November, A.D., 1967.

APPROVED BY THE Mayor of the City of Granite City, Illinois, this 30th day of November, A.D., 1967.

ORDINANCE NO. 2512

AN ORDINANCE PROVIDING FOR THE REMOVAL OF CERTAIN PARKING METERS AND ESTABLISHING A PASS-SENGER LOADING ZONE

WHEREAS, it is deemed necessary to establish a zone in front of St. Elizabeth Hospital on Madison Avenue for the loading and unloading of passengers, and

WHEREAS, it is necessary to remove certain parking meters to establish said zone,

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GRANITE CITY, ILLINOIS: SECTION 1: That the Superintendent of Streets be authorized to remove parking meters numbered 465, 466 and 467, said parking meters being located on the east side of Madison Avenue in the 2100 block in front of St. Elizabeth Hospital.

SECTION 2: In the spaces heretofore occupied by the parking meter stations, the Superintendent of Streets be authorized to post signs designating the area as a passenger loading and unloading zone and said zone to be designated by signs posted by the Superintendent of Streets in proper places with the wording "No Parking, Sleeping Allowed Only for Pick-up and Discharge of Passengers."

SECTION 3: Any person, firm, corporation, servant, agent or employee thereof who violates any of the terms of provisions of this Ordinance shall pay a penalty of Three Dollars (\$3.00) if a ticket indicating such violation is presented to the police station within twenty-four (24) hours, or shall pay a penalty of Five Dollars (\$5.00) if a ticket indicating such violation is presented to the police station after twenty-four (24) hours.

SECTION 4: All ordinances and parts of ordinances in conflict herewith are hereby repealed.

SECTION 5: This Ordinance shall be in full force and effect from and after its passage, approval and publication as provided by law.

PASSED BY THE CITY COUNCIL OF THE CITY OF GRANITE CITY, ILLINOIS, this 27th day of November, A.D., 1967.

Sundays Included
Added Window Hours
At Local Post Offices

To encourage local patrons to mail holiday greeting cards and packages early, thereby avoiding last-minute backlogs of mail and late delivery, Granite City Postmaster William F. Clinton today announced extended hours of window service for the pre-Christmas holiday period.

Venice Postmaster Charles Simmons reports that extended hours at the Venice station will be in effect Saturday, Dec. 16, only, when the usual noon closing time will be prolonged to 6 p.m.

At Granite City and Madison post offices, full week-day services will be in effect this Saturday, Dec. 9, and on Saturday, Dec. 16. Windows will be open from 8:30 a.m. to 5 p.m., with patrons able to avail themselves

Venice Man Jailed

Venice police arrested Theodore Russell Turner, 21, of 1108 Douglas street at 9:10 p.m. yesterday and charged him with assault and disorderly conduct. Police said Turner was arrested for beating Moses Spearman, 65, of Venice at Weaver and Calhoun streets. Officers reported that when they arrived at the scene, Spearman was bleeding from the mouth and had facial cuts. He was treated at St. Elizabeth Hospital. A disorderly charge was filed when Turner became unruly while being booked at police headquarters, police said. Turner was held in jail today.

Parked Car Damaged

A parked car owned by Jose M. Mendoza, 1647 Olive street, was damaged on the left side at 5:30 p.m. Tuesday by a hit-and-run driver. Mendoza told Madison police his car was parked at the corner of Seventh street and Lee avenue when it was struck.

CHRISTMAS PARTY FOR JUNIOR SERVICE BOARD

A Christmas party and buffet dinner was held for members of the Granite City Junior Service club board Monday evening in the home of the president, Mrs. Jo Anne Gaumer, 2672 Waterman avenue.

The buffet table was decorated in a holiday theme, as was the dining table, covered with a red tablecloth and centerpieces of tall green candles surrounded with holly and greenery.

Following the dinner, Mrs. Gaumer conducted a brief business session.

Mrs. Candy Kawula announced that three school children are in need of eye care and Mrs. Bernice Fitzpatrick and Mrs. Mary Schaffner brought to the attention of the board two more needy cases. The members made plans to finance tuition and uniforms for a practical nurse they sponsor.

Post programs and future Christmas plans were discussed. Mrs. Rena James announced the annual fashion show will be held in April 1968. The annual Christmas party for members will be held at the Lewis and Clark restaurant Dec. 11 with a dinner and gift exchange.

During a social hour, games were played and prizes went to Miss Flora MacLennan and Mesdames Candy Kawula, Marilyn Bodman, Louise Kovar, Audrey Jaros and Bernice Fitzpatrick.

Others present were Mesdames Margaret Hornberger, Gladys Wagner, Jean Ann Venick and those named.

MR. AND MRS. JACK MOTT, who will celebrate their golden wedding anniversary, Sunday, December 17, from 2 to 4 o'clock, at the First Baptist Church.

Mr. and Mrs. Jack Mott to Observe 50th Anniversary

The golden wedding anniversary of Mr. and Mrs. Jack Mott will be celebrated with open house, Sunday, Dec. 17, from 2 to 4 in the church parlor of the First Baptist Church 21st street and Delmar avenue. Mr. Mott and his wife, the former Rose Lee Pilcher, were married Dec. 24, 1917, in St. Louis and moved to Granite City after their marriage. They now reside at 2421 Benton street.

Mr. Mott came to Granite City in 1900 and worked for 18 years as a granite burner at the National Enameling and Stamping Co. When it closed they moved to Detroit, Mich. where he was employed at the Ford Motor Co. They returned to reside locally in 1934. He retired from General Steel Industries in 1958 after 16 years of service and is an honorary member of the United Steel workers of America, Local 1022.

Mrs. Mott has been active in church work and is a member of the Rebekah Lodge. The Women's Auxiliary of the First Baptist Church will assist Mrs. Mott's sisters, Mrs. Eva Meier, Mrs. Ralph Frohardt and Mrs. Adie Henderson with the arrangements. Relatives and friends are invited to attend.

GRADLE SHOWER HONORS MRS. MICHAEL JEFFRIES A cradle shower honoring Mrs. Michael Jeffries was given this week at St. Bartholomew's Episcopal Church by Mrs. James Jeffries and Mrs. Raymond Wiser. Games were played and prizes awarded to Mesdames Walter Williams, Kenneth Hill, Stephen Putnick, Gladys Ohms, Donald Brown, Bill West, Gilbert Williams and Miss Mildred McDowell.

After the honoree opened gifts, refreshments were served by the hostesses who used a pink and blue theme for their table decorations. Other guests present were Mesdames Gene DeKosier, Jim Batson, Sam Lucido Jr., Jim McKeachan and daughters, Erin and Cheryl, Richard Dawdy, Emanuel Valencia, Gilbert Richter, Tom Jenkins, Dave

ENGAGED. Miss Linda Jean Green daughter of Mr. and Mrs. Orville L. Green, 3729 Ruth drive, who are announcing her engagement and forthcoming marriage to Lonnie Kohler son of Mr. and Mrs. Leroy Kohler, Hickley, Ill.

Dec. 29 Wedding Is Planned

Mr. and Mrs. Orville L. Green, 3729 Ruth drive, are announcing the engagement of their daughter, Miss Linda Jean Green, and Lonnie Kohler, son of Mr. and Mrs. Leroy Kohler, Hickley, Ill.

The wedding will take place Dec. 29 at the First Church of the Nazarene, East 25th and August streets.

The bride-elect was graduated from the local high school in June 1967 and is a student at the Olivet Nazarene College, Kankakee, Ill.

Mr. Kohler is a graduate of the Hinkley high school and is also attending the Olivet Nazarene College.

Dumoulin, Lucy Williams, Miss Colleen Jeffries, Lisa and Lora Wiser, Susan Jeffries, the honoree's mother and sister Mrs. George Nelson and Miss Janet Gushoff.

Out-of-town guests were Mesdames Lyle Hobbs, Eugene Hobbs, Bill West, Gilbert Williams, Walter Houston, Jack Dedrick, Lloyd Fischer and Miss Beverly Williams.

Rotary Anns
Party at Depot

Another of the pre-season holiday parties was that of the Rotary Anns Club on Tuesday evening held in the Granada Room of the Depot.

The hostesses, Mrs. Norma Yelton, Mrs. Sue Scheibel, Mrs. Marilyn Newlin and Mrs. Kitty Kulkamp, used a traditional theme in their decorations with a five-foot, old-fashioned Christmas tree on the refreshment table. Punch was served to the guests on their arrival.

Those winning prizes in the games were Mesdames Velma Bula, Ada Thomas, Mary Wilkins, Jo Ervay, Mignon Abenroth, Peg Kropp and Evelyn Ackerman and Clara Huber.

A gift exchange was held and a belated going away gift was presented to a former member, Mrs. Velma Bula, who with her husband, Rev. Alfred Bula, and family are now residing in University City.

Others present were Mesdames Marcella Barnes, Margaret Cox, Carol Davis, Marie Day, Lorraine Decatur, Carolyn Fechner, Helen Broadway, Jessie Meng, Jean Van Metro, Nerva Ward and guest Mrs. Mily Hoskin.

Mesdames Decatur, Koepfer, Wilkins and Obie Gavin will serve as hostesses in January.

The United Presbyterian Women of First Presbyterian Church held their pot luck supper and installation of officers, Tuesday evening at the church.

The supper was held in the Fellowship Hall at 6:30 and the installation of officers followed.

Tables were decorated by the 1958 Circle Leaders in the holiday theme. Following the supper, the group sang Christmas carols led by Mrs. Dorothy Spinks, accompanied at the piano by Mrs. Mildred Kerch.

A brief business meeting was held presided over by Mrs. Virginia Johnson, finance chairman.

John, president, and devotions were given by Mrs. Beryl Nyboer, with a reading from the Yearbook of Prayer.

Mrs. Burdine Holtzschler conducted a Memorial Service for three members deceased during the past year—Mrs. Garnet Kelso, Mrs. Betty Dudenbostel and Mrs. Mae Endicott.

In a special recognition service by Mrs. Spinks for nine new members enrolled during the year, each was presented with a tiny Christmas basket.

Rev. David Maxton, pastor, installed the following new officers: president, Mrs. Nan Henderson; music secretary,

Mrs. Virginia Evans; literature secretary, Miss Lily Dod; publicity secretary, Mrs. LaVenka Meyer; newsletter secretary, Mrs. Burdine Holtzschler.

Secretary mission information, Mrs. Charlotte Thompson; Church nominating committee, Mrs. Ruth Lucas and Mrs. Arlene Fox; UPW nominating committee, Mrs. Ethel Beeler, Mrs. Ruth Lucas and Mrs. Nettie Conary; By-laws, Mrs. Helen Stoeber, Mrs. Lois Bowers and Mrs. Virginia John; reception chairman, Mrs. Peg Stevens; parlor chairman, Mrs. Virginia Milster; dinner chairman, Mrs. Rosemund Johnson; dining room chairman, Mrs. Helen Johnson; finance chairman, Mrs. Joan Kerch.

Circle Chairman One, Mrs. Lela Daniel; Two, Mrs. Bernadine Cooley; Three, Mrs. Cecilia Malotki; Four, Mrs. Gladys Pape; Five, Mrs. Catharine Parker; Six, Mrs. Joan Kerch.

Mrs. Charlotte Lierman, a past president, presented the outgoing president, Mrs. John with a gold recognition pin of the Board of Christian Education of the United Presbyterian Church, signifying that she has been placed on that board as an associate member.

The meeting closed with the members giving the Mizpah benediction.

The Circles will meet for their Christmas parties on Dec. 19, and the new executive committee will meet on Jan. 2 in the home of Mrs. Dee Roberts 1613 Moro avenue.

Scout Troop 15 Holds Yule Party

Boy Scout Troop 15 sponsored by the Eagles Aerie held the annual Christmas family pot luck dinner Monday evening at the Eagles Lodge hall on Madison avenue.

The scouts exchanged gifts and their sisters and brothers were remembered by Santa Claus.

High light of the evening was the presentation to all mothers of miniature pins denoting the rank in scouting of their son. Singing of Christmas carols closed the evening.

100 Attend Pot Luck Supper

Veterans of World War I and the Auxiliary gathered Tuesday night at the VFW Hall for their annual yule party for the Madison Barracks 34 with approximately 100 attending.

Following a pot luck dinner each group held their separate business meetings.

The Auxiliary plans to donate to the Salvation Army tree of lights. They also read an invitation to attend a Christmas party at the Jefferson Barracks Hospital on Dec. 21.

Games were played and prizes were awarded. Guests were the Department President, Mrs. Marion Sandefur of Bellevue, who gave a brief talk, the Barracks Commander, Ernest Stechmesser and Auxiliary President, Mrs. Ethel Petri and others from Collinsville, Edwardsville, Alton and Troy.

Church Reception To Honor 2 War Heroes, 2 Others

Four guests of honor will be greeted informally by members of St. John's United Church of Christ in the fellowship hall at 10 a.m. Sunday, between the morning worship services. Two have just returned from abroad and two have distinguished themselves for bravery in Vietnam.

Miss Sharon Reinhardt is back from two years in the Philippines, where she served with the Peace Corps in education of mentally and physically retarded children.

Gilbert Singleton has returned from studying the art of melting and molding metals in sculpturing at Florence, Italy. His overseas training was sponsored by the Universities of Iowa and Illinois.

Expected Home Soon
The other two to be honored are not yet home. Capt. John Salvary, an Army chaplain, is scheduled to return to Granite City a few days before Christmas and will be represented Sunday by his wife, Linda.

Capt. Harry Walker will be represented by his mother, Mrs. Geraldine Walker, a member of the congregation.

An Army helicopter pilot.

Thieves Work at Skotty's, Scotty's

Reports of theft were made one minute apart at Skotty's Jewelry Shop, 1304 Niedringhaus avenue, at 7:07 p.m. Monday, and at Scotty's Gift Shop, 2908 East 23rd street, at 7:08 p.m.

Taken from Skotty's was a Micky Mouse wrist watch valued at \$7.95 from a display on a counter. Missing from Scotty's was \$25 and a small crucifix while the proprietor momentarily left the store.

National Attention
Capt. Salvary, who received the Silver Star award for saving the life of a soldier wounded in a mortar attack and for carrying others to safety, is featured in a photograph and article in a December edition of the United Church Herald, national publication of the United Church of Christ.

Assistant chaplain of the Third Brigade, Fourth Infantry Division, he was presented the award for gallantry personally by Gen. Harold K. Johnson, Army chief of staff, during a ceremony near Duc Pho.

The magazine relates that a medic, Pfc. Steven Jaros, also of Granite City, suffered over 50 shrapnel wounds in an attack near the Cambodian border and could not be moved. The chaplain covered him with his own body and at one point gave mouth-to-mouth resuscitation when his breathing stopped. The wounded man was evacuated by helicopter.

Later contact between the two brought the discovery that their parents had been neighbors and friends.

GC Man, 26, Attempts Suicide, Then Chased

A Granite City man, 26 in a St. Louis hospital this week following a suicide attempt and a chase by police along Nameoki road at about 4:30 p.m. Saturday.

He had slashed his wrists at his home and then drove away. His mother called the police, and the man was spotted in his auto in front of the city hall. Police Chief Vetter said no charges were placed against the man on advice from the state's attorney's office.

One police officer started the chase and was joined by another patrol car. The man forced six to 10 autos off of Nameoki road before police were able to stop him at St. John's Cemetery.

He refused to leave the car and took several swings at police officers before they were able to subdue him. His auto was bloody. He was taken to St. Elizabeth Hospital where he refused to be treated for the cuts, and then was taken to a St. Louis hospital.

Police said he had attempted suicide on a number of occasions, and last Friday night he took an overdose of drugs while he was at the Shrine of Our Lady of the Snows near Belleville. A stomach lavage was required.

Baptist 'M' Night Will Feature Marionette Show

A special feature of the Madison County Baptist Association "M" night program, scheduled here for Monday at 7 p.m. will be the appearance of the "Avery Marionettes" of Fenton, Mo.

The program, "A Child of the King" will be given at the Junior meeting to be held in the lower auditorium of the Third Baptist Church, for children in the 9 through 12 age group. The puppeteers, formerly from Michigan, have taken a hymn and produced a story of faith, using string puppets to dramatize the story, and adding music and special lighting effects.

Concurrent with this special program, the adults will meet in the main auditorium of Cal-

vary Baptist Church to hear Dr. H. F. Paschall, an evangelistic preacher who is also pastor of the First Baptist Church of Nashville, Tenn. The Primary, Beginners and Nursery age groups will also meet at the same place.

Young people in the 13 to 24 age group will gather at the Third Baptist Church, to hear the guest speaker Rev. William A. Foster, minister of the St. Louis Baptist Association, with Rev. Gene Phillips, pastor of Third Baptist Church in charge. All meetings begin at 7 p.m. and are under the direction of the Associational Training Union director, Rev. Richard Dillender, pastor of First Baptist Church of Madison.

Baker, Hoskin Named to CD Posts in City

Granite City Civil Defense Director Victor H. Koenig today announced the appointments of Chester L. Baker, owner and operator of Tri-City Printing Co., 1814 Delmar avenue, and Col. Charles E. Hoskins II, Granite City Army Depot commanding officer, to key positions with the local civil defense organization.

A member of the Granite City CD corps for several years, Baker will serve as coordinator of the CD Warning and Communication Division, a post previously held by the late Floyd E. Mitchell. In past years, Baker has been an active member and officer of the Egyptian Radio Club.

Currently, the new coordinator serves as president of the board of directors of the Illinois Metro East, an industrial development corporation. He holds membership in the Shriners and Masonic Order. Several local men's service and civic groups and is a current director and past president of the Tri-Cities Chamber of Commerce.

Col. Hoskins has accepted the post of military advisor to the city civil defense corps, according to Koenig, who said creation of the new position conforms to a recent directive from the Illinois Civil Defense Agency.

The Depot commander, who was elected vice-chairman of the Federal Executive Board of Greater St. Louis this summer, formerly held the chairmanship of the Board's civil defense committee, with responsibility for coordinating CD operations and planning for all federal agencies and installations, military and civilian, within the two-state metropolitan area.

Col. Hoskins also serves as civil defense director for the Granite City Army Depot. Recently, he directed the installation of a first CD exercise and disaster preparedness drill during which evacuation by civilian employees and military personnel to available fallout shelter areas was effected within five minutes of the initial warning signal.

An advocate of a strong civil defense program, the military officer discussed the Army's disaster preparedness plans at a quarterly meeting of the Illinois Women's Civil Defense Council, held last weekend at Augustine's restaurant, Belleville.

Change in Sung Mass
At St. Bartholomew
Rev. Wilbur L. Lear, rector of St. Bartholomew's Episcopal Church, 22nd street and Grand avenue, announced today that beginning on Sunday, Dec. 10, the late service of Sung Mass and sermon will begin at 11 a.m. instead of 10:45.

This is a permanent change to allow more time for the Church school service which is held at 10:30.

West Granite Group Plans Future Activities

The West Granite Youth Development group discussed plans to obtain gym in that area for basketball programs for boys during a monthly meeting Monday night at Washington school.

The group is planning activities for the Christmas holidays and will work with churches in the West Granite area. It also was reported that the organization will send five to 10 boys to a camp next summer.

Recent donations to the organization included a meeting hall from Tri-City American Legion Post 113 and a map of West Granite from Don Horneberger of the Illinois Youth Commission encouraged the group in its activities. James King, chairman of the survey committee, and Parker Hurst, chairman of the rules committee, reported on their activities in relation to the structure of the organization.

About 15 persons attended, including three new members, Mr. and Mrs. Virgil Keeton and Mrs. Thelma Dillard.

Church Christmas Deadline Dec. 11 For Publication

Ministers and church secretaries are requested to submit Christmas programs for publication in the Press-Record.

The deadline is Dec. 11—next Monday—since most churches will be having programs on Dec. 17 and special services on Dec. 24. The programs should be either mailed or brought to the newspaper office, 1815 Delmar avenue, by next Monday.

In the event, a program is brought to the office after 5 p.m., there are slots alongside each front door through which the program may be dropped.

came from the Mallinckrodt Chemical Co. and not from the McKinley Iron and Metal Co. as previously reported by Henry McMullen, bridge manager, it was reported yesterday.

McMullen reported to the Venice police department that dense smoke coming from under the west end of the bridge lowered visibility to zero. Police notified St. Louis Air Pollution Control officials that the smoke was coming from the iron and metal firm. Later that firm reported it emitted no smoke in its operations. McMullen said yesterday he had corrected the error in a call to St. Louis clean air officials.

Office Bldg. Sewer Tap-On Approved--with Reservation

Subject to a legal opinion from City Atty. Allen, a sewer tap-on for the new two-story office building under construction at 1506 Johnson road was approved Monday night by Granite City council members. The opinion is needed on the agreement between the city and the owner, Claude Cochran, and the builder, James Green, that the second floor offices will not be completed until there is ample off-street parking space in compliance with the city building code. Alderman Johnson, chairman of the Street committee, who has bitterly opposed the six-inch sewer connection, said a verbal agreement was reached last week, and that he now wants it in writing and the opinion on its legality before the city permit is issued. The council voted agreement with Johnson's stipulation. Johnson said the owner and builder agreed to halt work on the second floor until an arrangement can be made to have 16 to 32 off-street parking spaces for the building. The chairman acknowledged that mistakes had been made in the planning and issuance of the permit, but that with the agreement there was no reason to hold up any longer the issuance of the sewer permit. He added that the structure would be an asset to the community, once ample parking is available. The permit for construction was issued last summer. In discussing other buildings, Alderman Green asked for the follow-up on condemnation proceedings on property at 730

NEW OFFICE BUILDING on Johnson road at Nameoki road being constructed by Claude Cochran, realtor. Offices on the first floor are to be leased, and at a later date additional offices are to be installed on the second floor.

Twenty-sixth street, and Alderman Poulos asked why three pieces of property in the Third Ward had not yet been razed. Mayor Farney replied that the council has refused to even discuss an allocation of funds for court proceedings to undertake the condemnations and also that the city once again is without the services of an assistant city attorney.

Filing Dates, Other Procedure Set for 1968 Elections

A one-week filing period in which candidates for public offices in the 1968 general elections may file their petitions of candidacy — either with the county clerk for local elections or with the state clerk for state offices — will be open on March 4 and close on March 11, it was announced today by Secretary of State Paul Fawell.

The annual election "calendar" listing dates of official election procedures is issued each year by the secretary of state's office as a prelude to campaign activities which customarily get under way at the first of the new year. The 1968 elections, which include presidential and gubernatorial balloting, are expected to mark the 100th anniversary of the first election in Madison county, the state and in the nation.

Next year's primary elections, which are controlled by new laws that became effective two years ago, will be held on June 11. Prior to 1966, Illinois primaries were held in April. The general election next year will fall on Nov. 5. At the local level, the only other elections scheduled are those of school district board members on the second Saturday in April. Township and municipal elections were held throughout the Quad-Cities and Madison county early this year.

Two In Appointed Posts
The 1968 elections in the Quad-City area and the rest of Madison county are expected to be particularly active since election for major county offices will include two county offices now filled by appointive officials—State's Attorney Leonard Davis, Scroggins is filling out the term of Joseph Bartylak, now facing county action in the handling of estate cases, and Davis is completing the term of Dr. W. W. Billings of Alton who resigned.

Another major factor in the 1968 campaigning will be the U. S. Senatorial race, at national level, in which Illinois State Senator Paul Simon of Troy is among the leading candidates. If Simon is given the nod by state Democratic leaders, he would oppose veteran U. S. Sen. Everett M. Dirksen (R), whose term expires this year. Simon's candidacy in the national race naturally would inspire a concerted effort among Madison county Democrats to bring about his election and therefore intensify the campaign on the part of the Democrats.

Madison county voters next year will ballot on election of a president, a U. S. Senator, governor, lieutenant governor, secretary of state, state auditor and attorney general. They also will elect a clerk of the Supreme Court, representatives in Congress, Appellate Court clerks and state senators only where there are vacancies.

County Posts Open
At the local level, Quad-City and Madison county voters will elect a circuit clerk, a recorder of deeds, a county auditor, a state's attorney and a coroner. Candidates for these offices will be selected on Republican and Democrat tickets in the June primary for the Nov. 5 runoff balloting.

There are no elections next year of Supreme Court justices or appellate court justices, except to fill vacancies of which there are none at the present time.

Precinct Committee
Throughout the county also will be elected next year. They file petitions of candidacy with the county clerk's office, but are elected on a local basis within their own precincts.

Only one other election procedure date is established prior to the opening of the filing date in the 1968 elections. That is Feb. 28 which is set as the last day for representative committees to fix the number of

state representatives to be nominated for the General Assembly.

To Elect Levee Board

Voters of the Quad-City area also will ballot next year on the election of five members of the East Side Levee and Sanitary districts. Incumbents whose terms expire in 1968 include William "Mac" Ebersold of Venice and Joseph Grant of Granite City, Madison county members, and Lawrence Tolar, George Duff and Morris Campbell, all of St. Louis.

There is no election of state senators this year except to fill vacancies. The election of three state representatives from the 5th representative district which includes Granite City, Nameoki, Venice, Chouteau and three other townships, is expected to remain unchanged from that number. Voters choose two Republican candidates in the primary, with the three receiving the highest vote elected to office.

A representative in Congress also will be elected next year in the 25th Congressional district which includes Granite City, Venice, Nameoki, Chouteau and six other Madison county townships as part of the district. The incumbent is Cong. Melvin Price (D) East St. Louis.

March 11 Withdrawal

Following the March 11 deadline for filing petitions of candidacy with the county clerk or the secretary of state, March 16 is set as the final date for withdrawal of nominating petitions. March 16 also will be the last date upon which objectors may protest petitions of candidates.

March 18 is set as the first date upon which candidates for President of the United States may file petitions of candidacy with the secretary of state. March 22 will be the last day upon which the electoral board may meet to hear and pass upon objections. Last day upon which candidates for President may be filed has been fixed for March 25.

The state electoral board must certify to county clerks not later than April 11 the names of candidates who are to be voted upon in the various counties of the state. These would include state representative, congressional and the levee district candidates as well as those seeking national and state office.

April 27 will be the last day for county clerks to have available for mailing ballots for military or naval service applications, and May 9 will be the last day for State committees to file a call for state convention in the office of the county clerk. May 13 is the first day for voters to file applications for ballots under the absentee voting act.

Registration deadline for new voters who have not registered or for those who need to change their records also is on May 13. The county clerk's office must publish legal notice of the primary election not later than

May 22, and May 27 will be the last day upon which the county clerk may post notice of the colors to be used in primary ballots.

The county clerk must deliver and post specimen ballots to primary judges not later than June 6. The same date also is the last day for newspaper publication of the specimen ballot. June 6 also is the last day for absent voters in U. S. service, or dependents, to make application for an official ballot, and the last day for absent voters to apply for a ballot by mail. June 8 is the last day for an absent voter to apply for a ballot in person and June 10 is the last day for delivery of official ballots to election judges.

Following the June 11 primary, newly-elected committees have until June 24 to conduct county conventions for reorganization, while state conventions must be held on June 28 under Illinois statutes.

The 1968 election calendar sets July 4 as the last day for chairmen of county committees to file with the secretary of state the names and addresses of officers, precinct committees and Representative committees. July 11 is the last day for the State Central Committee to meet and organize and Sept. 9 will be the last day for the Senatorial Committee and Representative Committee to reorganize.

Clyde Jones, 62, Dies; Former Local Resident

Clyde W. Jones, 62, formerly of Madison, died following an extended illness at 5 a.m. Monday in a Phoenix, Ariz., hospital, where he had been a patient ten days. He leaves a son and a sister here.

Mr. Jones had resided in Phoenix since leaving the Quad-Cities 18 years ago for reasons of poor health. He was born at Vincennes, Ind., but had moved to Madison as a youth and attended local schools. His parents were the late Louis and Theresa Jones of Madison.

He was a former employee of the old American Car and Foundry Co. of Madison and in later years was employed in the office of American Steel Foundries. He was a member of St. Matthew's Catholic Church of Phoenix and a former member of St. Mary's Roman Catholic Church of Madison.

Mr. Jones is survived by one son, Dale Jones, formerly of Granite City, a daughter, Mrs. William (Iris) Bilefienich of St. Louis; one sister, Mrs. Harvey Rich, Ottinger of Granite City; a brother, Herman Jones of Perryville, Mo.; and grandchildren.

Funeral services for Mr. Jones are pending this week in Phoenix, Ariz.

\$20,263 Bills Ok'd by Council; Stall One Payment

A bill list totaling \$20,263 and a \$44,235 bill-month payroll for December were approved Monday night by Granite City council members.

The session opened with Alderman Robertson calling for reconsideration of a \$346 bill approved at the Nov. 27 meeting, payable to Royal Chemical Co. and due since mid-1966. The alderman said he was unaware the item was on the bill list, and that he wanted further review by the Sanitation committee.

Mayor Partney commented that he had already approved the voucher for the year-old bill, and that since the firm was treating the city with legal proceedings, he saw no further reason for a delay.

Robertson said he had conferred with City Treasurer E. R. Rich, who has not yet sent out the check, and after Rich had been asked to delay mailing it. The committee has been questioning delivery of chemicals for insect spraying and return of some of the materials.

The bill was referred to the Sanitation committee by a vote of 12-to-2. Alderman Dallas, chairman of the Sanitation committee, was working and was not present. Alderman Jarrett declined to vote, saying the bill was incurred before he became an alderman. Mayor Partney told council members that the committee chairman, Dallas, was aware last week that the bill was on the list.

Fire Plugs, St. Lights
Major items on Monday night's bill list included \$1603 paid to East St. Louis & Interurban Water Co. for November rental on 387 hydrants; \$272 to Illinois Power Co. for lighting during November; \$1895 paid to D. Ron Electrical Co. for revision of the traffic signal light at 2300 Pontoon road.

Research Planning & Design, city engineers, received \$1986 for work on city improvement projects—Warren avenue curb and gutter, Waterman avenue curb and gutter, the median to connect Ash and St. Clair avenues, East 24th street improvement, the Ashby alley widening behind the city hall and subdivision regulations.

An item on the bill list for payment of \$200 to Triangle Typewriter Co. for rental of a typewriter and a calculator from Aug. 25 to Dec. 25 was questioned by Alderman Nomm. His recommendation for typewriter and calculator needs to be studied by the City Hall committee was approved, with an office machine pool proposed for loan of the equipment to departments.

He said the city would be ahead if it had the equipment rather than renting it. Comptroller Stevens said the rental cost could be applied to purchases.

'Take Smoke Off City Stickers' GC Alderman Suggests

The eight stickers bearing smoke on the city auto license stickers for Granite City should be "smokeless" for 1968-69, an alderman remarked during Monday night's council session when the city was preparing to order the 1968-69 licenses.

"Those look like open heart stickers, and those hearts no longer put out any smoke," Alderman Johnson said. "Other council members expressed more concern over the glue on this year's stickers, and the 'smokeless' sticker issue was not taken up."

City Clerk Pendleton, who handles the windshield sticker sales, was instructed to advise the firm supplying the stickers, that future orders would be placed elsewhere if the glue on the 1968-69 stickers did not stick.

Many of the aldermen commented that their license stickers had fallen off or were curling up and ready to fall off. "I've seen the stickers falling off cars all over town," Robertson remarked, and Rutledge added that he has taped his to the windshield to keep it on. "Usually I have trouble getting it off when the time expires," he added.

Company's Explanation
Pendleton said that when he first began getting complaints on the stickers, he telephoned the company. "They told me that people probably not following the directions for proper application."

He was instructed to write a letter when placing the order for next year, advising the firm of the need for a more adhesive glue. Pendleton plans to order 16,825 stickers for next year.

The city had budgeted \$800 for the stickers, and another offer has been received for \$822. Last year, the cost was about \$800, the clerk said.

Other business, the council accepted the resignation of Norman Kinder Jr., assistant city attorney, effective last Thursday.

In a letter to the council, Kinder said his private practice was presenting an extremely busy schedule and that he could not continue in the city post. He offered to meet with the council next Monday evening to go over cases pending against the city, but that he did not have time to prepare these cases for the city.

A recommendation was made that the city hire an older lawyer for the assistant post.

New Appointment
Approved was the appointment of Lawrence Oberdieck, 2139 Washington avenue, as assistant city humane officer.

The city was advised by Civil Defense Director Victor Koenig \$831 from the federal government as half the cost of operation and materials for the local CD offices.

Permission was given A. John Graham, pastor of the Seventh Day Adventist Church, 2900 Dogwood drive, for annual Christmas caroling throughout the city from 5 to 8 p.m. nightly by volunteers seeking funds for church-sponsored programs.

Mitchell Church Program To Be Presented Sunday

Rev. Bill Bolmar, pastor of the First Baptist Church, 608 English Place, Mitchell, announced today that the young people of the church will present their annual program, entitled "The Night The Angels Sing" on Dec. 10 at 7 p.m. at the church.

The program under the direction of Mrs. Wilma Webb will be the first observance of the Christmas season.

Military, Civil Personnel Tour Industrial Area

A group of high-ranking military officers and key civilians from the executive branch of the federal government enrolled as resident students at the Armed Forces Industrial College at Fort Lesley J. McNair, Washington, D. C. are touring the two-state metropolitan area this week and will include an inspection of Granite City Steel Co. tomorrow.

The purpose of the tour is to provide the students an opportunity to observe and study on-the-spot management practices, economic strength and the national security role of industrial facilities located here. Special consideration is being given to a study of local labor-management

relations, inter-industry relations, the impact of foreign investments and competition from overseas, and government-industry relations. The group arrived in this area Monday afternoon. The visit is one of 15 field trips to various areas of the United States being conducted by the Industrial College as part of its intensive 10-month resident course of study in the management of national resources, the management of national security and the management in the Department of Defense.

The field trips generally provide an opportunity to visit organizations which are particularly concerned with research and decision-making processes, especially those which are of interest, directly or indirectly, to the Department of Defense. Each year 147 senior officers from the Army, Navy, Air Force and Marine Corps, and

Madison High Student Expelled by Board

A Madison high school boy was expelled for the rest of the school year by the board of education which met in closed session Monday night to consider the case.

Supt. Raymond Dragich would not discuss the reason but said it had no connection with the recent racial boycotts. The boy was advised by his parents and by an attorney.

Miss Hotz to be Cited At Dinner on Saturday

Miss Eulalia Hotz of Edwardsville, who is observing her 50th anniversary as Madison county clerk, will be honored at a testimonial dinner at 6:30 p.m. Saturday in the Mineral Springs Hotel in Alton.

A plaque of recognition will be presented to her by Michael J. Howlett, state auditor, honorary chairman of the dinner. Miss Hotz was the first woman ever elected to county office in Madison county. Before she was elected, she served from 1883 to 1942 as deputy county clerk and was employed previously as a clerk in the county clerk and treasurer offices and as a reporter for county papers.

She is the third member of her family to serve as county clerk. Her father was elected to the office in 1922 and served until his death in 1933. He was succeeded by her brother, Norbert, who retired in 1942. Howlett commended her work as a member of the Illinois County Audit Advisory Board, "helping to make Illinois the best audited state in the union." She has been recognized for her work against cancer and heart disease which has served as president of the Illinois Association of County Clerks and vice-president of the National Association of County Officials.

New Christmas Stamps Available at Post Offices

Last year's Christmas stamp was so popular that a larger version is available at the post office now, Postmaster Theodore Overbeck said today.

Nearly twice the size of the 1966 version, the special five-cent stamp reproduces a portion of Hans Memling's "Madonna and Child with Angels." "This is a 15th century Flemish oil painting that hangs in the National Gallery of Art in Washington, D. C., Overbeck said.

"Using the Christmas stamp assures first class service on holiday greeting cards," he noted. "That means the card will be forwarded if the recipient has moved or returned if there is no forwarding address. In addition, first-class postage on an envelope means that the sender may write a message on the card."

Greeting cards sent third-class mail are afforded none of the above advantages.

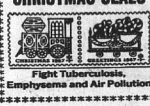

Last year, the entire stock of Christmas stamps was sold out by Dec. 10. This year, Postmaster Overbeck estimates that 200,000 will be sold during the holiday season and has ordered a sufficient number so that all requests for the stamp can be honored.

This is the sixth in a series of holiday stamps. The initial order was for one billion, two hundred million. Postmaster General Lawrence F. O'Brien's Stamp Advisory committee recommended that the design be repeated and issued in commemorative size. When the smaller stamp was placed on sale in 1966, the Post Office Department was flooded with mail praisings the design and the technical excellence of the reproduction by the Bureau of Engraving and Printing, Overbeck said.

Navy Airman Hecht Completes Course

Aviation Structural Mechanic Airman Larry A. Hecht, USN, son of Mrs. Charles Jarrett, of 2812 East 28th street, has completed the Aviation Structural Mechanic Hydraulics School at the Naval Air Technical Training Center in Memphis, Tenn.

The school covered basic hydraulic system operations, troubleshooting and maintenance, as well as stability and control of aircraft, safety precautions and inspection of landing gear. Before attending this school, he completed the two week Aviation Familiarization and four week Mechanical Fundamentals courses at Memphis.

Venice Schools Approve Holiday, Study Gym Lights

Venice school board members Monday evening authorized a legal holiday for Venice students from Tuesday, Dec. 26, through Friday, Dec. 28.

The dates previously were included in the Venice schools calendar as normal school days to provide for supplemental attendance in the event school closing was necessary due to inclement weather.

In other action Monday, board members heard recommendations for rewiring and relocating overhead lights in the Venice school gymnasium. Lighting conditions in the gym have drawn criticism from basketball officials and coaches, was explained at an earlier meeting.

Corrective measures recommended by Miss Dorothy Davis, a consultant for Illinois Power Co., were outlined by Supt. of Schools John O. Pier, who pointed out that three alternative lighting plans appear to be most feasible.

The proposals are installation of new 24,000-hour mercury lamps and fixtures, at a total cost of \$14,400; adding eight new 100-hour incandescent lamps to the present system; or replacing present lamps, plus adding eight new lamps and fixtures, with 400-watt, 900-hour lamps. No cost estimates were given on the third proposal.

Action was deferred by the board prior to members of the building committee meeting with Miss Davis to hear approximate cost of the three plans, a "Meadowlark" lighting system.

94% Attendance

A decline in average daily attendance during November at all Venice schools was noted in a report by Assistant Supt. Robert N. Vickers.

Vickers said attendance at the Lincoln kindergarten last month dropped to 89.69% from 92.84% in October. Venice kindergarten 91.78% from 92.69% in the previous month, Lincoln grade school 93.71 from 94.82% in October. Venice elementary school 94.57% from 96.69% and Venice high school 94.21% from 95.14%.

Several board members indicated they will attend a planning session at 6:30 p.m. Monday in preparation for the Illinois School Board Association's spring meeting. The planning dinner will be held at August's restaurant, Belleville. Permission was granted Donald W. Mancoll, music director at Venice schools, to attend the Midwest Band Clinic Dec. 12-14 at Chicago.

The board approved a leave of absence, beginning April 1, for Mrs. Annette Ohlendorf, a Venice high school teacher.

Amerik A. Kachigian, 2767 Washington avenue, is announcing the opening of his law office in Granite City. The offices will be located at 1308A Niedringhaus avenue.

Kachigian, who holds a bachelor of arts degree from the University of Illinois and a law degree from Washington University, St. Louis, has had offices at East Alton.

The new attorney is a native and lifelong resident of Granite City. He is a graduate of Granite City high school, and is the son of Mr. and Mrs. Asslan Kachigian, 716 Niedringhaus avenue.

He is the owner of an A & W Root Beer stand and the Snack Shack Drive-In of Granite City. He is married and has two children, a daughter, Lydia Helene, five, and a son, Armand Asslan, four.

Trim a Tree Party At Church Sunday

The annual "Trim the Tree Party," sponsored by the Commission on Education of Niedringhaus Memorial Methodist Church will be held in the church's Wesley Hall Sunday from 2 to 5 p.m.

At this party, church families make their own Christmas tree ornaments. Under the direction of Mrs. Ronald Brink, tables will be equipped with necessary handicraft materials.

At 5 p.m. a Vesper service will be held in the sanctuary at which time each family will place one of the ornaments on the Sanctuary tree, and the motion picture, "Our First Christmas Tree," will be shown.

Rev. R. Paul Sims, minister, will deliver the sermon, "The Song of Mary," during the morning worship services at 8:30 and 10:40. This will be the second sermon in a series on "Canticles of Christmas."

The Associate Minister, Rev. Dean Blackburn, will deliver the Children's Sermon at the 10:40 worship service. Anthems for both services will be sung by the Youth Choir and the

Four Local Girls Guests On Navy at Army Game

Four members of the Checkerboard Squares, Misses Suzanne Boyd, Brenda Sawyer, Sherine Boyd and Shelly Boyd returned to their homes, Monday afternoon, following a week end on the East coast. They attended the Army-Navy football game in Philadelphia and dances at the Naval Academy in Annapolis and Sheraton Hotel in Philadelphia.

The planned weekend was a result of friendships made when the Checkerboard Squares presented a show at the U. S. Naval Academy on July 4.

Beginning the weekend activities, the girls met their escorts in the Rotunda of Bancroft Hall at the Academy and were taken

to Muesenhomers Ice Cream Parlour in Annapolis and later attended the pre-victory dance held in Dahlgren Hall, attended by 1000 Midshipmen and their dates.

Saturday they attended the football game, which Navy won, followed by dinner at the Alpine Inn, Springfield, Pa., and the "Brigade Informal" held in the main ballroom of the Sheraton Hotel.

The girls also visited historic shrines at Valley Forge, Pa. before their departure on Sunday.

Mr. and Mrs. Edward R. Boyd, 39 Villa drive, accompanied the girls on their trip.

Season of Holidays Being Observed at SIU

Nineteen thousand students at the Carbondale campus of Southern Illinois University are mixing end-of-term studies and pre-Christmas observances in week-long Season of Holidays festivities this week.

Oriented to the University center, the programming arranged by the Student Activities office includes decorating Christmas trees, carolling, a party for children of married students and music by the University Choir.

This week is the final week of the fall term and is followed by final exams and the exodus for home.

Festivities started Saturday with decoration of the ground floor of the center building, including five large Christmas trees. Sunday afternoon found Santa Claus entertaining the youngsters of married students.

Ice sculptors chipped away at 100-pound cakes on the patio of the center, competing for prizes for the best sculpture.

Carolling parties toured the

SIU Agricultural Dept. Shows Enrollment Gain

With a fall term enrollment of 813 undergraduate students majoring in agriculture, Southern Illinois University has climbed to 21st among the 68 member institutions in the National Association of State Universities and Land-Grant Colleges which have schools and colleges of agriculture. Southern ranked 25th in 1966.

Southern's agricultural enrollment is up nearly nine per cent from a year ago, about two per cent ahead of the average compiled from reports of the association's member institutions. Nearly all of the schools registered gains in 1967.

campus residence halls Wednesday evening, ending their visits at Trueblood hall in the University Park complex, for refreshments.

Season of Holidays festivities will formally end today with the traditional Christmas convocation featuring music by the University Choir and an address by Acting President Robert MacVicar.

Final exams start Monday and run through the 16th. The winter quarter starts Jan. 2.

3 SIU Profs Write For History Handbook

Handbook of World History, just off the press of Philosophical Library Inc., New York City, contains 12 articles by three Southern Illinois University professors.

Kurt Glaser and Georg Maier of the social sciences division of the southwestern campus, and Roland N. Stromberg, professor of history at Carbondale, each wrote four of the articles. Glaser wrote "Common Law," "Constitutional Monarchy," "Federalism" and "Legalism-Moralism." Maier's articles are entitled "Pan-Germanism," "Pan-Touranism," "Secession and Succession." Stromberg's articles deal with "Collective Security," "Deism," "Historicism" and "Neo-Classicism." The book sells for \$20 a copy.

Nursing Students Carol

At State Hospital
Forty nursing students from Southern Illinois University-Southwestern campus opened Christmas festivities at Alton State Hospital Wednesday by singing carols in each ward.

The event was arranged by

Mix 'n' Match Game Being Played by SIU Students

The name of the game is Mix'n'Match, and some folks at Southern Illinois University at Carbondale play it about this time every fall.

Usually the season falls between football and basketball, but the opening gun depends upon the date of publication of the SIU directory, because that and an eye for the unusual are all a player needs.

Trusty:
Friend, can you Spare a Nickel for a Coke or a Dime for a Hamburger?

The quick mind will note that the capitalized words are names taken from the nearly 20,000 students listed in the Carbondale campus directory, and if you think that was a Groaner, here's one that a Little Harder to Chew:

A Craven Crow Wood Cross a Dry Creek to Grob the Best Berry, and a Bird in the Hand is Worthy Tu in the Bush.

Would you believe that the Forest is on the Apple and

Suzan Hock of the United Christian Foundation at SIU-SW. Following the carolling the student nurses presented a holiday program for more than 50 patients of the eastern counties unit at the occupational therapy center.

VHS Cheerleaders Compile 34 Years Of Experience

By SUSAN STERN

A total of 34 years of experience is leading the Venice Rod Devil fans for the 1967-68 basketball season.

Cindy Bosworth, a senior and varsity cheerleader, tops both squads with 10 years of experience. Others on the varsity are seniors Jan Hayden and Mary Munk, junior Margie McGarran and sophomores Edie Hoult.

Cindy is the daughter of Mr. and Mrs. Calvin Bosworth, 623 Lincoln avenue. Jan is the daughter of Mr. and Mrs. Merle Hayden, 812 Third street; Mary is the daughter of Mr. and Mrs. Sigmund Munk, 626 Lincoln avenue; Margie is the daughter of Mr. and Mrs. William McGarran, 1226 Oriole street.

Edie is the daughter of Mr. and Mrs. Ulys Hoult, 205 Harrison street, Madison.

The junior varsity squad consists of junior Susie Stern and sophomores Connie Bosworth, Betty Brown, Annie Ruth Smith and Rita Austin.

Susie is the daughter of Mr. and Mrs. Milton Stern, 963 Washington avenue. Connie is the daughter of Mr. and Mrs. Calvin Bosworth, 623 Lincoln avenue. Betty is the daughter of Mrs. Dorothy Wiley, 210 Allen street, Madison. Annie is the daughter of Mr. and Mrs. Mattie Lee, 106 Allen street,

Madison. Rita is the daughter of Mr. and Mrs. William Austin of Broadway.

The girls were chosen at the end of the 1966-67 school year on their ability, leadership, stage appearance, scholarship and sportsmanship.

A "3" average must be maintained to remain on the squad.

Both squads attended cheerleading camp at Vincennes University, Vincennes, Ind., last June.

Practice sessions are held Mondays after school under the supervision of Mrs. Annette Ohlendorf, faculty sponsor.

Special Education Art Course to be Offered

A course designed for special educational teachers interested in teaching art to mentally or physically handicapped or culturally deprived students will be offered at Southern Illinois University-Southwestern campus during the winter quarter which opens Jan. 2.

Entitled Art for Elementary Teachers II, the course is a new one at the new campus. It will meet Monday and Wednesday evenings from 6:30 to 9:20.

According to Miss Nancy Altwater, who will be the instructor, a study will be made of the philosophy and psychology of the art expression of both normal and handicapped children. A good portion of the time, she said, will be spent in studio methods for the retarded child.

Sewer Rental Fees Set for GC Area No. 3

Ordinances setting monthly sanitary sewer rental rates and tap-on fees and for calling for bids on sale of the \$150,000 revenue bond issue for construction of the sewers were approved Monday night by Granite City council members.

The bond sale bid deadline is 7:30 p.m. Dec. 18, and the maximum interest rate was set at 6%. The council had called for bids for the bond sale last month and received none, although an unsealed proposal was submitted by a Chicago firm after the 5 p.m. deadline.

The Dec. 18 bid opening will be on the night of a regular council session, and action is expected that night, since award of the construction contract on a low \$192,094 to Gen-lord Contracting Co. is planned. The remainder of the project cost is to be financed with a portion of the \$1,500,000 grant of federal tax funds.

Areas Included Included in Particular Area No. 3 for the sanitary sewer construction are all of North Granite, sections of Cayuga and Denver streets, Nevada avenue and Rock road in West Granite and portions of Mercer drive and West Pantown road in the Nameoki area.

The fees to be charged are \$45 for a tap-on that may be paid in a lump sum or \$125 a month within a period of three years. After one year, the tap-on fee becomes \$160 and increases \$10 a year with a maximum of \$250.

Monthly sewer charges will be \$2.90 for a single family dwelling and churches, \$2.50 for business establishments, \$6 for bowling alleys, \$40 to \$60 for schools and \$150 for a large business.

The rate ordinance specifies that the monthly rental fee must be paid before the 10th of each month or a 10% penalty will be added. If a payment is not made in 30 days, it will be declared delinquent, and the city treasurer is to file a lien against the property.

Number of Delinquencies Alderman Rudolph commented later in the meeting that he is getting information on the delinquencies in the Nameoki and plans to call upon the city attorney to take the cases to the small claims court.

All residents of the areas to get the sanitary sewers will be required to connect onto them and will be subject to a fine of \$5 to \$100 a day for violation. The ordinance specifies that city clerk is to do the billing as well as compile a list of the owners and occupants of the

400 to 500 buildings to be served. The matter of billing brought forth a verbal exchange between Alderman Nomm, chairman of the Ordinance committee, and Alderman Parmley when Nomm questioned the wording of the ordinance in specifying city clerk, when the city comptroller does the actual billing.

Method of Interpretation Mayor Partney explained, as did the bond attorney, Horace Calvo, that the term city clerk also is interpreted as comptroller, according to state statutes.

Several aldermen said they wanted the term comptroller put in the ordinance, if that is what it should be, and Nomm refused to change the wording. Parmley offered to take the ordinance from Nomm and hand it to Calvo to change the wording, but Nomm refused, saying it was up to the chairman of the Special Sewer committee to call for the change.

The committee chairman, Alderman Bartosiek, did not enter the argument. Calvo pointed out that all of the other ordinances calling for sewer rental fee billings specify city clerk, and the work is done by the comptroller.

Nomm also objected to the maximum \$50 tap-on fee, saying it would stymie future construction on vacant lots after the sewer project is completed. When the ordinance was presented for final passage, Basarich, Parmley and Johnson voted against it.

Maxvill Entertains 195 at Church Dinner

Dal Maxvill, Granite City's gift to the world champion St. Louis Cardinals baseball team, entertained an audience of 195 with humorous anecdotes about his professional athletic career in addressing the annual father-and-son banquet Tuesday evening at St. John's United Church of Christ.

Praising the aggressiveness and competitiveness of the Cardinals' Bob Gibson, Maxvill said Gibson would be his pitching choice for any crucial game.

The 28-year-old Cardinal shortstop, who starred in the victorious 1964 and 1967 world series, told of missing an infield grounder in the sixth game of this year's series but did not mention that he tripped and scored the first run in the decisive seventh game.

Maxvill stayed afterward to sign youngsters' scoreboards and picture cards and also to autograph nine baseballs given away at the dinner. He was introduced by Gene H. Sternberg, master of ceremonies, as one of baseball's surest players at fielding and throwing and as an effective clutch hitter.

Rev. Paul Surber, pastor, offered prayer and there was vocal and stringed instrumental music by the New World Singers, five St. Louis University seminarians.

Arthur Roman was honored as the oldest father present, Leroy Schaefer as the youngest father, Earl Buenger for having the youngest son and Earl Luchmann for having the most sons at the dinner.

There never was a sermon yet that beat a good example.

Next Monday is Deadline For Overseas Holiday Mail

Three sons of a Granite City resident—two serving with the Marines and the third in the U. S. Navy—are listed in today's "Yule Mail Call," which also includes the names and addresses of a local airman, whose mother expresses the hope the lists will be used by Quad-Cityans at any time to write servicemen away from home.

Granite City Postmaster Theodore Overbeck today reminds local residents that Monday, Dec. 11, is the deadline date for sending greeting cards, letters and packages to military personnel overseas, with airmail rates, for delivery by Christmas.

Mrs. Marylee Brown, 2806 West 20th street, submitted to the Press-Record's "Yule Mail Call" the names and addresses of her three sons. The trio includes Marine 2nd John E. Thompson, who is attending the U. S. Navy's Compressed Gas School, at the Portsmouth Naval Yard, Portsmouth, Va. Pfc Douglas H. Thompson, who is with the Fifth Marine Division at Camp Pendleton, Calif., and Pfc Robert W. Thompson, presently at the Marine Corps Depot at San Diego, Calif.

Mrs. Joan E. Duke, 2748 Myrtle avenue, writes the Press-

Record, "I think 'Yule Mail Call' is a wonderful thing to help the boys away from home feel less lonely, especially during this season. Now, if we could only start a campaign to get people, who may need a little encouragement, to go ahead and use these addresses."

Mrs. Duke submitted the name of her son, Airman First Class Terry E. Pierce, who is stationed at Keesler Air Force Base, in Mississippi.

Names and addresses of Quad-City servicemen will be accepted at the Press-Record office, 1315 Delmar avenue, through tomorrow, with the final list expected to appear in Monday's issue.

The servicemen's name, rank, serial number and correct address must be written on a slip of paper and brought to the newspaper office. Addresses also may be placed through mail chutes located in the office door this evening.

Those submitting names, should identify themselves on the slip of paper, in the event verification of unit abbreviations is required.

Ex-Marine Now Training As Helicopter Pilot

A former Marine who enlisted in the U. S. Army on Sept. 20 and volunteered for training as an Army helicopter pilot, left today for Fort Wolters, Tex.

Pvt. Eugene Newman Waggoner, 25, has been spending the past two weeks on leave at home with his parents, Mr. and Mrs. Bryan L. Waggoner, 2314 Grand avenue. The serviceman will continue the ground training phase of the Army's helicopter pilot instruction program at the Texas base.

Recently, Pvt. Waggoner completed three months' basic instruction at Fort Polk, La. In approximately 16 weeks, the ex-Marine expects to advance to regular flight training school at Fort Rucker, Ala. Upon completion of the program, he will receive his pilot's wings and a warrant officer commission.

Pvt. Waggoner enlisted in the Marine Corps immediately following his graduation from Granite City high school in 1960. During his three years as a Marine, he spent 14 months on duty in Okinawa. Prior to re-enlisting in the service in September, he was employed as a clerk at the Granite City post office.

Assessor Barton Pledges Aid To City Expansion

James Barton, Granite City assessor, this week pledged the aid of his office in any movement designed to bring about expansion of the city by annexation of contiguous territories.

In a letter to Mayor Donald Partney and the city council, Barton said he was deeply concerned by efforts in neighboring areas to incorporate or to annex to other districts, and commented that "if successful, these attempts will be, of course, injurious to our city."

The assessor pointed out that "planned, orderly growth of our city is our best protection of our homes and all other real estate."

Barton declared that "most of the people living in these adjacent areas would be much better served and protected if they became a part of our city. The service departments of our city are staffed by dedicated first class public servants who would render the same highly efficient service in the annexed areas as they presently do in the city."

Expect Higher Taxes
"With all these services available to these residents," Barton asked, "what then is the reason they do not wish to become a part of our city? It would appear the only reason, other than politics, is money—tax money. It is their belief that if they were part of our city their taxes would be considerably more than they are presently paying. This is not necessarily so in consideration of the added benefits. This is a small price to pay for all the added services, such as fire and police protection, a street department and a public library."

"Let me take this opportunity," the letter continued, "to assure you that the assessor and my office stand ready to assist you, in any possible, to correct this impression and successfully bring about the needed expansion to our city."

IRS Income Tax Assistance Will Start Here Jan. 15th

Assistance for Quad-Cityans in preparing their 1967 income tax forms will again be available locally, it was announced at Monday night's Granite City council session.

The aldermen agreed to provide space in the city hall for Internal Revenue Service agents on Mondays, starting next Jan. 15.

The agents will be here each Monday after that date with office hours of 9 a.m. to noon and 1 to 4 p.m. through April 15. They also will be here on Friday, April 12.

Request for the office space was made to the city council by E. C. Wolf, chief of facilities at the Springfield IRS office.

Each year the council provides the quarters here.

1200 Attend Christmas Art Show at GCHS

A standing-room only crowd of about 1200 persons attended the annual Christmas gift-wrapping and holiday decoration show conducted by the Granite City high school art department Monday night in the school auditorium.

More than 100 gift-wrapping ideas were demonstrated, and numerous works of art, including centerpieces and other decorations prepared by art students, were displayed. Many were given away.

Top advanced art girls and boys participated on the stage, assisting as director Eugene Ainsel with the demonstrations.

A four-foot donkey which the art department made from styrofoam, used in the show, was presented to the children's department of St. Elizabeth Hospital Tuesday morning.

Convertible Top Cut
James Corbett, 5132 Old Alton road, Mitchell, reported at 7:30 a.m. Tuesday that vandals slashed a new convertible top on his 1963 auto five times while the car was parked at his home. He said it was the second time this has happened.

GC Twp. Accounts Show Balances

Balances in all three accounts of Granite City township were reported to the city council Monday night by Supervisor Nelson Hagmann in his financial report for November.

On Nov. 30 the balances were \$211,512 in the general assistance fund, \$20,761 in the town fund and \$24,371 in the employee retirement fund.

The receipts for the general fund last month amounted to \$532, while disbursements were \$7316; and in the town fund, receipts were \$287 and disbursements, \$4047. In the Illinois Municipal Retirement Fund, receipts were \$16 and disbursements, \$2389.

Current disbursements approved Monday night included \$2276 from the town fund and \$3102 from the general assistance fund.

The town board meeting, which preceded the city council session, lasted four minutes.

4,000,000 Safe Working Hours at A.O. Smith Plant

Workers at the A. O. Smith Corp. auto frame manufacturing plant were given a party yesterday—"Safety Recognition Day"—for completing 4,000,000 safe work hours without a disabling injury. This is a new safety performance record for the Granite City plant, and I would like to congratulate each of you for working safely.

The 4,000,000 safe work hours is an outstanding achievement for an industrial operation of this type. It demonstrates good, positive safety attitudes and safe work habits and is deserving of some special recognition.

For the safety party, lunch periods had to be rescheduled yesterday to accommodate all of those to be served.

Kemp also had a special word for supervisors at the plant—

"I would like to congratulate each of you for your contribution toward operating this plant as an efficient plant. In my experience with industrial operations, I have found that a safe and orderly plant is also an efficient plant."

"I have also found that an orderly and efficient plant is dependent on the first line supervisors and their acceptance of management responsibilities.

In extending his congratulations to the plant workers, Kemp said:

SAFETY CELEBRATION CAKE at the local A. O. Smith Corp. auto frame plant where four million safe work hours without a disabling injury were completed Nov. 28. Viewing the 412-pound cake that was served at the plant yesterday for "Safety Recognition Day." Left to right are—William Dan-

dridge of Dept. 1048; William Provence, safety inspector; Leonard Summers, Dept. 1014; Jewell Walker, manufacturing project engineer; William Barzee, Dept. 1068; Stanley D. Young, manufacturing superintendent; Cornelius Odum, Dept. 1033, and C. E. Blankenship, safety and training director.

Louis Czervinski, 63, Dies at Barnes Hosp.

Louis Czervinski, 63, of 2005 Fifth street, Madison, died at 8:30 p.m. Tuesday at Barnes Hospital, St. Louis, where he was a patient eight hours. In ill-health for several years, his condition had worsened within the past three weeks.

Mr. Czervinski was born in St. Louis and had resided in Madison 60 years. He had retired 17 years ago from Darling Chemical Co., where he was employed four years as an electrician.

He was a member of St. Mary's Roman Catholic Church of Madison, Venice - Madison

Horseradish Growers Report Good, Quality Yields Here

By Warren W. Bundy,
Extension Adviser

Horseradish growers report good yields of high quality roots this year. The crop has been unusually free of plant diseases.

Horseradish varieties a d herbicide test plots on the Homer Bruns and William Keller farms in Nameoki and Collinsville townships and Clyde and Alvin Weissert farm in St. Clair county were harvested recently.

These plots help growers decide which varieties are best to plant, and which herbicides hold promise for chemical weed control.

Roots in each of many plots were kept separate, trimmed, weighed and evaluated for size and quality. Results of the tests and many other topics important to vegetable growers will be given at the Tri-County vegetable growers school Jan. 17 and 18 in Caseyville.

Lots of Hand Labor

Horseradish growing requires a lot of hand labor, including selecting small roots to be set, planting the roots, weeding, lifting, harvesting, trimming, grading and sacking.

Harvest begins by plowing one row at a time deep enough to loosen the big roots. Even then it takes a lot of hand pulling on many roots to get them out of the ground.

There was good early-season demand this year for horseradish. Some of the crop was harvested several weeks ago and moved direct to market.

Part of the crop is marketed at harvest-time. Some of the crop is harvested and stored through the winter. The rest of the crop is left in the ground for early spring harvest. Freezing through the winter does not harm horseradish roots, but they must be harvested before they make any spring growth.

Horseradish requires a lot of fertilizer for high yields. Chris Doll, area horticulturist, reports that topic is one of many on the vegetable growers school program in January.

A supply of Illinois Farm Record Books for 1968 is here. Copies are available at the

county extension office. The record book, published by the Agricultural Economics Department of the University of

Illinois, is excellent for income tax records and for depreciation schedules. It also provides for a limited amount of farm business analysis.

Several hundred of these books are used each year by Madison county farmers.

Shoplifters Arrested

Two juvenile shoplifters were arrested Tuesday afternoon at the J. J. Newberry store, 1337 Nineteenth street. They were turned over to juvenile authorities.

Local relatives of servicemen overseas still have time to record their "Voices From Home" talking letters, at the Tri-City American Red Cross office, 1411 Twenty-first street. Recording 15-minute conversations, free of charge, will continue between 9:30 a.m. and

4 p.m. Monday through Friday until the week before Christmas, according to Mrs. Ruby Overbeck, executive director of the local Red Cross Chapter. Despite only a short period of time remaining during which postal authorities guarantee delivery of mail before Christmas

to servicemen overseas, the chapter executive points out that family recordings sent from loved ones at home are greatly appreciated at anytime by military personnel serving abroad. Mrs. Overbeck said an invitation to record messages also

is extended to families of military personnel hospitalized in this country or overseas. Additionally, military dependents with relatives abroad and exchange students residing in the area may record greetings. Appointments to make a recording are not required, the director said. She explained the Tri-City chapter will provide the recording facilities, an unbreakable disc able to record 15 minutes of conversation and heavy wrapping material to protect the recording in transit. The sender is asked only to mail the recording, which usually requires an eight-cent airmail stamp. Red Cross recordings, packages, letters and greeting cards sent via airmail rates to servicemen overseas must be

Wage-Hour Law Cuts Marginal Jobs

(Illinois Retail Merchants Association Report on pending Congressional wage-hour legislation.)

Many a small merchant has a female bookkeeper who stops at the bank while out to lunch. Some day he may be informed that under the wage-hour law he owes her \$850 or so in back pay for making that daily deposit.

The law has even more acute headaches for big stores. Retailing is a highly seasonal business, and a severe shortage of qualified temporary help is a major problem as the pre-Christmas rush approaches.

In Chicago the unemployment rate is around 24 per cent, meaning that for the most part only the marginally employable are available.

The wage-hour law requires, however, that a green stock boy be paid the same as one who has been trained in his job. Sen. Mike Monroney (D-Okla.) and Rep. Robert A. Ashmore (D-S.C.) have proposed modification of the minimum wage law to change this condition.

Their amendment would fix the minimum wage in retail or service establishments during the final quarter of the year at 90 per cent of the figure otherwise applicable.

The effect would be to permit the employment of inexperienced temporary help at a rate 10 per cent below the statutory minimum—presently \$1.40 an hour, rising to \$1.60 in February.

This proposal will not doubt encounter protests that the legal wage should be the rock-bottom, and that employers should maintain a differential by raising the pay of more experienced workers.

Such doctrinaire defenses of minimum wage laws ignores practicalities. The fact is that a comparatively small number of people are affected by this artificial floor under wages. A disproportionate number of them are Negroes. But economic history pointed out that while sponsors intend the law to help this group, the end result is to hurt

them by reducing the opportunities for employment.

An employer in desperate need of help will pay what he must to obtain it, and the essay, pass any added cost along to his customers.

But, equally clearly, in his endeavor to keep his prices as low as possible for competitive reasons, the higher the wages the tighter the rein he keeps on his total employment, and the fewer inexperienced people he will accept.

Minimum wage laws distort employment in other ways. One effect is to provide an incentive for mechanization.

Lawmakers think they are adding the low-end distribution when what they are really doing is prodding employers to install dish-washing machines.

Proponents of wage laws argue that minimums are required because some workers are paid less than the market worth of their services. Such a condition will not exist in a labor market such as the present, where competition for help is brisk.

What happens is that those whose services are not worth the legal wage are simply not hired. There is an implicit recognition of this consequence in the law itself.

If the magic of law can raise all incomes, why not double the legal minimum and bring every worker up to the official standard of comfort?

If it can't do because it is recognized that such an arbitrary addition to the cost of production and distribution would be unbearable, and many now employed would then have no job and no income.

Part of the New Economics formula for increasing employment is continual inflation, which reduces real wages while adding dollars to the paycheck.

The Monroney-Ashmore proposal has the merit of being immediately more honest, more direct, and less harmful to the economy.

Diplomacy Has Not Contained Reds

(U. S. Department of State)

Knowing that the idea of Soviet leaders on world peace on their terms, which usually runs counter to our ideas, how can you find it intellectually palatable to hold meetings or discussions with their leaders or emissaries?

The West has tried diplomacy for 30 years and in the meantime, Russia has grown from a small country to a sprawling giant.

It can also understand that a militant attitude might not be the answer. So, then, what do you think is the answer?

Dear Mr. B: Secretary Rusk answered your question in his news conference of July 19 when he briefly discussed the Glassboro meetings between President Johnson and Chairman Khrushchev.

The Secretary said that "... there are obvious differences which are far-reaching between our two countries. The basic objectives of the Soviet Union continue to be to support world revolution."

"The question of means is important. We hope that the Soviet Union will understand the importance of prudence in a world situation in which the human beings have weapons of mass destruction at their disposal."

"We are conscious of the fact that relations between the United States and the Soviet Union are very important to the general structure of world peace and we are prepared to sit down with them on whatever point we can find to move toward agreement rather than controversy and to find ways to reduce the impact of the disagreements which we might have on important questions."

Friends at which with which we have treaties to help when they are in trouble, when to war against one another, which one would we help?

Dear Mr. H: Our collective defense and bi-

lateral security treaties are so worded as to commit the parties to assist one another in the event of an armed attack upon one of them. The North Atlantic Treaty and the Rio Treaty or to act in accordance with their constitutional processes meet the common danger from an armed attack (Southeast Asia Treaty, Anzus Treaty and bilateral security treaties).

Thus, if two of our allies should ever go to war against each other, it would be necessary to determine in the light of all the circumstances, which one of them might be the unjust aggressor and what action in accordance with our constitutional processes might be necessary to meet the common danger.

U. S. Support of UN

I am writing concerning the status of American endorsement of the several conventions before the member states of the United Nations in the area of human rights. The basic objectives of the Soviet Union continue to be to support world revolution."

Nameoki Road-Iowa Street Traffic Jam to be Studied by Council

An effort to clear the traffic snarl at the Nameoki road-Iowa street-St. Clair avenue intersection will be made next Monday night when Granite City council members will confer in an informal session with officials of National Food stores.

It also was recommended during Monday night's regular council session for District Highway Engineer Robert Kroest to be invited to the meeting, since Nameoki road is State Highway 203.

Alderman Ford Johnson said the grocery firm officials have expressed willingness to put money in escrow for acquisition of property to widen Iowa street at Nameoki road. "We need a solution to this problem," he added.

Next Monday night, the aldermen are to meet informally to review lawsuits against the city and to confer with the food firm officials.

Curb-Hopping at GCHS
Also—it is hoped to get a plan from the state highway

official to prevent "curb-hopping" by vehicles on and off the high school gymnasium parking lot to Nameoki road.

Alderman Dawes said the practice is frequent especially during basketball season. "There's going to be a bad accident if something isn't done, like putting up posts or some kind of barrier."

Flasher warning lights at Amos avenue and Nameoki road at the fire station exit for use when the fire truck is leaving the station on an emergency run was recommended by Alderman Fry, chairman of the Fire and Water committee. State highway officials will be consulted.

The council was asked by Bi-State Transit Co. to reconsider the elimination of a bus zone at St. Clair and Wayne avenue because of the far distance to the next stop. The transit firm official said there was no concern over elimination of several other stops since patronage in the areas involved.

The request was referred to Sixth Ward aldermen.

Wants "Ice" Signs
Fry called upon the street committee to request Granite City Steel Co. to place electric "Ice Pavement" signs along Madison avenue at its plant, similar to those along Edwards-ville road at the firm's blast furnace plant.

A suggestion by Alderman Barschick for buses to be rerouted off narrow Delmar avenue onto Cleveland blvd. and Edison avenue, got no response from the other council members. Barschick said he was driving in the 2400 block of Delmar in his auto and was nearly forced onto the sidewalk by a bus. "That street is too narrow for buses with two-way traffic," he remarked.

After a vote of reconsideration, Granite City council members approved a special use permit sought by the Miller-Wright Realty Co. for an automatic carwash at 222-24 Madison avenue. Alderman Barschick said he had opposed the development, but after seeing the plans and talking to residents of the area, decided to seek approval by the council.

Street Projects
With plans for the city's \$2,963,000 drainage program due this month, Alderman Robertson called for readjustment of the plan and talking to residents of Troy avenues motor fuel tax improvement projects, with the stipulation that drainage work along those streets be carried out in conjunction with the city's new system.

A request was given, provided the drainage lines are installed in advance of the street work.

Robertson also called for repairs to the alley off Center street at Michigan avenue where apartment house "D" recently were constructed. It was

decided for the street department to do the work with the provision that the contractor put up a \$150 deposit.

Reply to railroad crossings was a council topic once again. Street Committee Chairman Ford Johnson said the city had received no replies to the letters sent to railroads and asked for suggestions.

Possible Solution
Alderman Rutledge said that several years ago the city got results by writing to right-of-way engineers for the railroads and arranged a meeting here with engineers from the Illinois Commerce Commission.

Johnson said he would try that method.

Permits for driveways also were authorized for issuance.

They include a 26-foot driveway on State street at 21st street for the engineering firm of Sheppard, Morgan & Schwab, and for the Upton Gardner laundromat in the 2200 block of Illinois avenue. It was recommended another driveway in the 2200 block of Illinois avenue be widened to a warehouse of Cohen's Market, serviced by large tractor-trailer trucks.

Held over by the council was a request from East St. Louis & Interurban Water Co. for an excavation permit to install an eight-inch water main in the center of McCambridge avenue at 14th street to serve new homes in Madison. The application was to excavate Nov. 29.

State highway engineers are to be asked to correct drainage problems on either side of the new Federal Aid Route 151 being built through West Granite.

Alderman Nunn said that in the weekend rains, several homes along Morgan and Emme streets had water at the front doors. "We didn't have the problem before highway construction was started," he commented.

Sgt. Thomas Shroat Retires from Service

SM Sgt. Thomas Shroat, son of Mr. and Mrs. Marvin Shroat, 2022 Beckwith avenue, Madison, Ill., has received his Honorable Discharge and retired from Army life after 25 years of service, at Scott Air Force Base, Belleville.

Sgt. Shroat spent the last 18 months of service in Thailand, Formosa, Japan and Vietnam. A graduate of Madison High school, he entered service at 18 years of age.

After spending a few days visiting his parents, he was joined his wife, Florence, and 12-year-old daughter, Robin, at their home in Murphysboro, Tenn.

Titus Stauffer, Former Resident, Dies in East

Titus L. Stauffer, 76, of 1703 West Union Blvd., Bethlehem, Pa., formerly of Granite City, died Monday at St. Luke's Hospital in Bethlehem. Funeral services were held today in that community.

Prior to retirement in 1959 when he moved to Bethlehem, Mr. Stauffer was personal secretary to the late John N. Marshall, president and board chairman of Granite City Steel Co. He had joined the local steel firm ten years earlier, coming here from Bethlehem Steel Co., where he was employed as secretary in the sales department.

During his residency here, Mr. Stauffer lived at 2124 Lincoln Blvd., and was a member of the First United Presbyterian Church and Granite City Chapter 221, Royal Arch Masons.

A native of Boyertown, Pa., Mr. Stauffer also held membership in the Central Moravian Church and the Sertoma Service Club of Bethlehem and the Stichter Masonic Lodge of Pottstown, Pa. His wife, Mrs. Effie Shull Stauffer, preceded him in death.

He is survived by two sons, Douglas S. Stauffer of Bethlehem, and Richard E. Stauffer of Wayne, Pa., and one granddaughter, Susan Stauffer, of Bethlehem.

First Child Arrives For D. M. Padgett's

Mr. and Mrs. Don Michael Padgett, 1919 Grand avenue, are announcing the birth of their first child, Dawn Michelle, born Dec. 3, at St. Elizabeth Hospital. The new arrival weighed six pounds and one ounce.

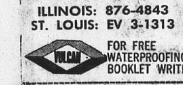

Grandparents are Mr. and Mrs. Frank Felker and Mr. and Mrs. Leo Padgett. Mrs. Padgett is the former Kathy Lynn Felker.

Locks Freight Traffic Heads Toward New Record; Now 39,672,605 Tons for Year

Freight shipments totaling 39,672,605 tons passed through the Chain of Rocks Canal during November, according to a report by the U. S. Army Corps of Engineers which operates the locks.

The November tonnage, including 1,701,201 tons of traffic headed upriver, and 2,219,550 tons going downriver, was an increase of 274,567 tons over October shipments of 3,706,584 tons.

Shipments included: petroleum products, 453,120 tons upriver and 320,550 tons downriver; grain, 59,000 tons up and 1,666,600 down; coal, 471,150 and 169,000; cement, sand and gravel, 150 and 20,300; sulphur, 38,500 and none; miscellaneous commodities, 474,331 and 81,859; iron and steel products, 8,000 and 94,200; and chemicals, 257,130 and 34,450.

A total of 5122 vessels passed through the canal, requiring a total of 948 lockages. The report said 4988 barges and 948 towboats passed through the canal during the month. Other craft using the locks included five commercial small crafts, two passenger boats, seven private recreation boats, seven government towboats, ten government barges, eleven government small craft.

November freight shipments brought to 39,672,605 tons the total amount of freight to pass

through the locks and canal during the eleven months of this year, continuing the steady increase in traffic at the locks.

Freight shipments at Chain of Rocks have increased about 10% per year since the locks were put into use in 1954. The total freight movement through the canal thus far this year is within 148,832 tons of the 39,821,537 tons recorded for all of the 1966 year. While shipments usually go into a seasonal decline in December, shipments for all of the 1967 year are certain to exceed those of 1966, although not in the

quantity of increases during recent years. The total 1966 freight shipments of 39,821,537 tons, for example, was an increase of 3,895,325 tons over total shipments of 35,926,212 in 1965. The report shows a total of 54,371 vessels have passed through the locks during the 11 months of this year, of which 41,856 were barges and 9673 were towboats. At the same time last year, 52,960 craft had used the locks. A total of 10,296 lockages have been made thus far this year, compared to 9598 during the same period a year ago.

County Tavern Owners Donate \$100 to Youth

The Madison County Tavern Owners Association held its December meeting Tuesday at Gen's 140 club in Bethalto.

Members voted to make an annual donation of \$100 to the Alton Police Youth Club. The presentation will be made by Mary Wilkinson of Mary's lounge, Cottage Hills, the Alton area vice-president and Leroy McVey of LeRoy's lounge in Wood River, Alton area public relations officer.

Two new members were accepted into the organization—L. W. Gerdeman of the H&H bar and Sam Marmino of the Trio lounge, both in Wood River.

Local members attending were Charles Hester, president,

Salary, Supply Hikes Boost Venice Pupil Cost to \$718

Increased expenditures in the Venice school district during the 1966-67 school year resulted in the educational cost per student climbing to \$718 from \$547 per student in 1965-66.

A fiscal audit accepted Monday evening by the Venice board of education showed that most of the higher cost was related directly to increases in teachers' salaries and higher expenses for instructional supplies.

C. J. Schlosser of Alton, auditor for the Venice district, noted that \$717,355 of the district's 1966 tax levy of \$736,613, applied to an assessed valuation of \$35,428,424. The amount received represented 97.39% of the levy extended.

In a separate audit, Title I funds granted Venice schools under Public Law 89-10 from Aug. 31, 1966, to June 30, 1967, showed receipts of \$70,103, plus \$1017 reimbursed by the district for an administrator's salary.

Disbursements from Title I funds included encumbrances discharged, \$33,964; repayment of loans to the district's working cash fund, \$35,000; and payroll deductions totaling \$1886. The Title I fund showed a cash balance of \$70,450 on June 30, 1967.

Over 100 in GED Classes
Supt. of Schools John O. Pier told Venice school board members Monday evening that between 55 and 60 Madison county residents and 51 St. Clair county residents, including 23 from the Washington Park area, currently are attending General

Educational Development evening classes at Lincoln school. He pointed out that nightly attendance is consistent and additional students still can be accommodated.

Supt. Pier said plans are now complete for the vocational school's typing and bookkeeping departments, tentatively set to begin in January on an evening class basis.

Supt. Pier noted that expense in setting up the two programs is about \$4400 for each department, with approval expected soon from the Illinois Office of Public Instruction.

He added that a representative from the Mills Machinery Co., which is slated to inspect the Lincoln school facilities, will recommend various equipment and fixtures necessary to establish a welding and machine shop.

Counseling Grant Approved
Assistant Supt. Robert N. Vickers reported state approval for reimbursement of funds expended in improving guidance and counseling services in Venice schools.

However, he said, the total to be allocated the district remains unspecified, pending approval of an appropriation for the entire state.

School Board President Michael E. Leathman Jr. said progress on a \$101,401 nine-classroom addition to Venice grade school. The building contract, awarded Nov. 20 to Leo Wolf Construction Co.,

calls for completion of the project within 180 days, unless inclement weather causes delays. The new construction involves erection of three new classrooms in a 32x38-foot area above existing shop facilities, and a separate wing to be constructed adjacent to the school's industrial arts area.

Students to Be Transferred
With completion of construction, all Venice elementary pupils will be housed at the Broadway building. Earlier this year, the U.S. Department of Justice accepted a proposal under which all grade school students in the Venice district would be consolidated in a single school building by the start of the spring semester in late January.

Board Secretary John E. Gonsky reported balances of \$3267 in the revolving fund, \$2157 in the activity fund, and \$2730 in the restricted fund.

Payment of monthly bills authorized from the educational fund totaled \$10,806, including \$1589 for the school lunch program; \$110, breakfast program; \$600, C. J. Schlosser & Co., auditor; \$724, Brohead-Garrett, shop supplies; \$406, Strub Music Co., music and instruments; \$737, Edray Food, groceries; and \$302, J & J Meat Co.

Supt. Pier said \$846 for supplies, listed in the educational fund bills, will be reimbursed under the GED program.

Other bills approved for payment amounted to \$2386 from the building fund, \$2338 from the transportation fund and \$822 from the Illinois Municipal Retirement Fund.

\$450,000 Suit by GC Couple Being Heard
A jury trial was under way this week in Bond county circuit court at Greenville in a \$450,000 damage suit filed for Eugene and Patsy A. Bugg of Granite City against the city of Greenville.

The complaint alleges that Bugg was injured when he made use of a slide in a swimming area of Greenville city park and landed in shallow water on Aug. 17, 1964. He seeks \$300,000, charging neglect on the part of the city.

termian reported balances of \$3267 in the revolving fund, \$2157 in the activity fund, and \$2730 in the restricted fund.

Woman Loses Wallet, \$25
Mrs. Ray Phillips, 1623 More avenue, reported at 11:25 a.m. Tuesday that she lost her wallet containing \$25 and papers.

Mrs. Bugg seeks \$150,000 for the loss of the companionship and to pay for the medical care of her husband. Bugg was in court in a wheel chair. Associate Judge Foss D. Meyer is presiding.

Past Presidents Group Holds Party

Another of the pre-season Christmas parties was held Monday evening for the Past Presidents of the American Legion Auxiliary Post 113 at the home on Madison avenue. Dinner was served at 6:30 for 37 persons, and Mrs. Alma Klauke, chaplain, gave the opening prayer.

Plans were made to send gifts to the nurses at the Norberry Hospital in Jacksonville. Mrs. Mildred Reese, president, announced the Auxiliary will entertain the Past Presidents at their Christmas party on Dec. 13, at 8 p.m. at the hall, with a gift exchange. The remainder of the evening was spent in games with each guest receiving a prize. The next regular meeting will be Jan. 8.

JUNE BRIDE-TO-BE, Miss Karen Shelton, whose engagement to Robert E. Wiebe is being announced by her parents, Mr. and Mrs. Wilbur Shelton, 2435 Edison avenue.

Coterie Aiding Salvation Army

Mrs. Dawson Wade, 3314 Washburn avenue, will entertain the Ladies Coterie for their Christmas party, today, in her home. Twenty completed layettes made by the members were presented to Brigadier Selma Cairns, assistant administrator of the hospital and Captain Gladys Boozer formerly of Granite City, representatives of the Salvation Army Booth Hospital for unwell mothers in St. Louis. Mrs. Bernard Miller made the presentation on behalf of the members, and as chairman of the project.

Miss Shelton Is Engaged

Mr. and Mrs. Wilbur Shelton, 2435 Edison avenue, are announcing the engagement of their daughter, Miss Karen Shelton, and Robert E. Wiebe, 173 East Helen, Reedley, Calif. He is the son of the late Mr. and Mrs. D. H. Wiebe, of Reedley, Calif. Plans are being made for a June wedding at the First Assembly of God Church here. The bride-elect is a graduate of the local high school and attended Southern Illinois University. She is now employed in St. Louis. Mr. Wiebe did undergraduate work at San Jose State College and Bob Jones University. He received his Bachelor degree from Fresno State College and Masters degree from Colorado State University. He is presently teaching dramatics in Junior high school in Reedley, Calif.

Let people know you as you are—not as you imagine you are.

APRIL BRIDE, Miss Barbara Ann Rusbling, whose engagement to James Joseph Edmonds was recently announced by her uncle and aunt, Mr. and Mrs. Elroy J. Klippel, 1011 January avenue, Ferguson, Mo. Mr. Edmonds is the son of Mr. and Mrs. Wilfred J. Edmonds, 35 Oak Park drive, Creve Coeur.

Trio Unit Holds Yule Luncheon

Members of the Trio unit, Madison County Homemakers Extension Association, met at the Rose Bowl Tuesday for a luncheon and gift exchange, followed by an afternoon of games and singing of Christmas carols. Prizes in the games went to Mesdames Sara Huber, Vivian Forshee, Dorothy Schanuel and Virginia Little. Others attending were Mesdames June Lux, Velma Neumann, Mary Markham, Edna Buenger, Ivan Granklanoff, Emma Jakich, Fay Briggs, Clara Schilling, Florence Rapp, Hulda King, Naomi Kinney, Marlowe Lybarger, Kay Niles, Lola Soechtig, Villa Ridings, Rose Stearns, Beulah Miller, Katherine Roman, Mary Lewis, Ruth Brave, Chairman of the Unit, Shirley Schilling, Clara Harbig, Marjorie Chalupny, Jerry Short, Wilma Britton and Shirley Meyer. The next meeting is scheduled for Jan. 2 at Hope Lutheran Church and the subject will be "Window Decorations," featuring drapes and curtains.

SR. CITIZEN BOWLERS HOLD YULE PARTY

The Senior Citizens Bowling League of Tri Mor lanes held their Yule party at the Rose Bowl on Monday evening. Sixty-two members and 14 guests attended. Plans were made for the group to attend a tournament with the Seniors of Bel Air lanes in Belleville in two weeks.

Carps Employees Annual Yule Party

The employees of Carps store held their annual Christmas party at the Rose Bowl on Monday evening. The decoration committee, Mrs. Jane Schlueter, Mrs. Mary Veach and Mrs. Irene Kadane, used a Noel motif in the table decorations with white lighted tapers, scarlet poinsettias and pine candles in scarlet brandy snifters. Following the 7 p.m. dinner, a gift exchange was held and special awards presented to Mrs. Kadane and Mrs. Veach for 25 years of service. Evening prizes went to Mes-

James Erna Hunter, Norma Droeg, Bea Horn and Jean Dyer.

Others attending were Mesdames Dorothy Burgess, Rosalie Hill, Etta Whitson, Geraldine Thomas, Evelyn Schere, Sharon Hodshire, Virginia Conklin, Eda Wheatley, Doretha Ashley, Elizabeth Wisnick, Doris Bacheler and Josephine Koezovich.

State Legal Staff Says City's Clean Air Law is OK

Granite City council members are taking at least two weeks to reply to a letter from C. W. Klassen, technical secretary of the state's Air Pollution Control Board in answer to the city's technical secretary's statement that the city control law has been converted "into a complete useless instrument."

Since adoption of amendments to the July changes in the city control law in October to comply with state regulations, the council members have indicated a reluctance to talk about the matter.

There were only brief comments when Klassen's reply to questions was read at Monday night's council session. The aldermen called for copies to be given to each council member and for City Atty. Allen to take steps to correct the city ordinance where necessary.

Local Question Raised
The city was advised Oct. 20 by Prof. Erwin C. Hoelscher, acting technical secretary for the city Air Pollution Control Board, that there were discrepancies in definitions in the new city ordinance that encompasses the state clean air code and that the city, through the wording of the October amendment, had delegated the authority of the city control board to the state board.

Klassen, through his legal staff, advised the city that a state board gets its authority and duties from the state legislature and that no municipality can delegate its functions to a state agency.

The legal opinion from the state also sets forth that any ambiguous definitions should be interpreted with the city terms prevailing. Any contest of the interpretation, the state suggests, should fall on those who raise the question.

"Waste of Time"
Basarich termed the whole matter a waste of time, and said the city control board is "trying to cause confusion. Let them remember," he said, "the council is the final word."

It was Alderman Boyd, chairman of the council's Air Pollution committee, who asked for the city attorney to look over the state's opinion and decide what should be done for clarification.

Robertson asked for two weeks to study the state's communication before any action is taken by the council.

The letter from Klassen to Mayor Parry follows:

Klassen's Letter
"This is in reply to your letter of Nov. 13, and a letter dated Nov. 8, from Homer Pennington, city clerk, requesting our opinion regarding the Granite City ordinance and related comments by Erwin C. Hoelscher."

"Since the opinions you requested were of a legal nature, I felt that they should be made by persons qualified in this field. Although I prepared a request for an opinion from the Illinois attorney general, the legal staff of the Department of Public Health advised that this was not a matter appropriate for the attorney general and rendered an opinion."

"A copy of the opinion by the department legal staff is enclosed. Since this opinion was based upon specific questions which I raised, I am also enclosing a copy of the text of my request for an opinion."

"We are pleased to be of assistance to you in this matter and should you have further questions, please call on us, C. W. Klassen, technical secretary."

State's Legal Opinion
The state's legal opinion, prepared by James T. Londrigan, legal technical advisor, follows:

"The Legal Staff's opinion on the above-titled matter is as follows:

"As to the first question: 'Does a local ordinance, which incorporates by reference the verbatim regulations of a state agency, obligate that agency in any way?'

"The answer to this question is 'no.' A state agency receives the authority, and therefore the obligation, from the State Legislature. A city has no power

or authority to delegate its functions to a state agency.

"In reply to your second question:

"Does the intent of a statute or ordinance ever prevail over its literal interpretation?'

"As stated in the letter of Erwin C. Hoelscher, there are two definitions in the Granite City ordinance pertaining to 'boards' and 'technical secretaries.' However, we interpret this situation as being ambiguous and confusing, rather than in conflict with each other as found by Mr. Hoelscher."

"The ordinances might be different standards were provided, held to be in conflict if two different as one stating, 'Particulate matter in the gases shall not exceed 0.65 lb. per 1000 lb. of gases adjusted to 50 per cent excess air in the products of combustion'; and a second ordinance providing that gases are not to exceed 0.50 lb. per 1000 lb. etc."

"It is obvious from reading the entire ordinance that the powers and duties given by the ordinance are to be performed by the local air pollution control board and not the State Air Pollution Control Board. Thus, in this ambiguous situation wherein there are two definitions provided, the obvious intent of the city council will control and the definitions which state that the 'board' and 'technical secretary' is the Air Pollution Control Board of Granite City applies."

"We suggest that Granite City interpret their ordinance in this manner and let the burden of contesting this interpretation fall on those who might desire to raise such question."

"In the meantime, the Granite City council could amend the ordinance by striking the definition as to the State Air Pollution Control Board. Whether or not this amendment

should be made immediately or is necessary at all, when and if someone raises the question, should be determined by the Granite City council and the city attorney."

His squadron's primary mission is to destroy enemy aircraft and missiles, attack surface targets, escort helicopters and perform various other air operations. His group is a major aviation element of the Second Marine Aircraft Wing, which provides air support for Fleet Marine Force, Atlantic units.

Mayor Wants Courts to Pay \$4555 Annual Rent to City

City officials and officers are to confer with county officials in a dispute over a 2½ handling charge deducted from city fines by the circuit clerk's office under a new state law. Mayor Partney is proposing the city charge the county for using city hall offices.

Circuit Clerk Willard "Butch" Portell, a Granite Cityan, attended Monday night's council session and stressed that other cities in the county want magistrates and other courts in their towns and provide space and services without charge.

He added that Wood River included courtrooms in its new city building just to get court facilities there and that the city of Edwardsville conferred with him before building its new city hall in order that proper courtroom facilities would be provided.

Objection to the \$87 deduction from the city fines—leaving \$4274 paid to the city for October—was made last week by Alderman Nnon. But he simmered down with the prospect that should the city decide to charge rent to the county for city hall space used by the courts, that the courts might be located elsewhere.

Basis for Rent Amount

Mayor Partney presented the city's case to the council and Portell, noting that under a real estate appraisal of the square footage in the city hall devoted to the courts, the city could be collecting \$4555 a year in rent.

To work out the differences, Mayor Partney, City Atty. Allen, Police Chief Veizer, Township Supervisor Nelson Hagman, Portell and a judge are to meet. The date for the meeting was not set.

The dispute arose last week when the council was advised of the \$87 handling charge deduction at a time it was considering bids for replastering ceilings in several of the courtrooms. It was brought out the city was providing the space for the courtrooms and offices without charge. The services included are heat, light, gas, air-conditioning and janitor service.

During the discussion Monday night, Mayor Partney gave the square footage of each room used by the courts and the rate of rent that would be charged by a realtor for full-time or part-time usage. For part-time use, the amount was 75 cents a square foot, and for full time, \$1.50.

Alderman Rutledge said that if the county was going to

Police Chief Veizer, when called upon, said police officers of his department average about 100 hours a week in court sessions—most of them during off-duty hours.

Several council members remarked that the time would be doubled if the officers were forced to go to Edwardsville for every case.

Nnon commented that since the judicial reform, the amount of fines received by the city have more than doubled.

Could Get More Fines

Portell explained that the city could revise some of its laws and get even more in fines. He explained that all fines in city cases go to the city, but if the state's attorney's office is called upon to handle prosecution, then the fines go to the county. He suggested the city review some of its laws for revision.

At that point, Mayor Partney said he had done a partial study of the matter and estimated the city could get an additional \$15,000 to \$20,000 a year, or more than enough to employ another attorney to handle the added cases.

Portell said that under the judicial reform most counties in the state have magistrate and other courts only at the county seat, which usually is in a central location.

In Madison county, he pointed out, the heavily-populated areas are close to the river, and the decision was made to have additional courts. "We could cut the court staff and save a considerable amount of money by eliminating the separate courts."
